Orders in Council

**Order in Council re employment of members of active units and formations of the Canadian Army on projects or undertakings deemed to be in the national interest.**

P.C. 7429

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 3rd day of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of National Defence reports that,—

- (a) It is desirable to have authority to make available members of the Canadian Army on active service as might be spared from their military duties for the carrying out of projects which are in the national interest or have for their object the benefit or welfare of members or ex-members of the Armed Forces of Canada or which are in the opinion of the Minister of National Defence and the Minister of Labour essential to the efficient prosecution of the war.
- (b) It is deemed necessary to provide that
  - (i) military personnel when employed in work of this character should be deemed to be performing a military duty;
  - (ii) in respect of such work the provisions of the Pensions Act, Chapter 157, Revised Statutes of Canada, 1927, as amended, should apply in respect of such personnel and their dependents in like manner and to the same extent as if death or injury arose out of or was directly connected with military service as defined in the said Act;
  - (iii) each member of the military forces of Canada while performing such service shall continue to receive his military pay and allowances, including dependents' allowance.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of National Defence, concurred in by the Minister of Labour, and pursuant to the provisions of the War Measures Act, and the National Resources Mobilization Act, 1940, is pleased to make and doth hereby make the following Order:

ORDER

1. All members of active units and formations of the Canadian Army, including persons called up for training, service or duty pursuant to the provisions of The National Resources Mobilization Act, may on the authority of the Minister of National Defence be required to perform any service or duty upon or in connection with any project or undertaking in Canada which the Minister of National Defence and the Minister of Labour deem to be in the national interest.

2. All orders given or issued by the appropriate military authorities pursuant to the provisions of this Order shall be deemed to be lawful orders given by a superior officer, disobedience of which shall constitute an offence under Section 9 of the Army Act, and the said section shall, as a part of the law of Canada, be construed accordingly.

3. The Minister of National Defence and the Minister of Labour are hereby authorized to make all necessary financial and other arrangements with any person relating to such employment and to make such provisions as are necessary for the collection and disposal of remuneration payable to the Crown by employers in respect of service or duty performed by members of the Canadian Army as aforesaid.

4. All members of the Canadian Army performing services or duties specified in paragraph 1 hereof, pursuant to the lawful orders of their superior officers, shall, for the purposes of the Pensions Act, The National Resources Mobilization Act, the Militia Act, the War Measures Act, The War Service Grants Act and all regulations and orders made thereunder, be deemed to be performing military training, service and duty as prescribed therein.

5. The Minister of National Defence is hereby authorized to do all such acts and things and to issue such orders and make such regulations as he may deem necessary or advisable in connection with the employment of members of the Canadian Army as aforesaid.

6. The Minister of Labour is authorized to reimburse the Department of National Defence for such expenditures incurred by that Department pursuant to this Order as may be mutually agreed by the Minister of National Defence and the Minister of Labour.

7. Expenditures made by the Department of Labour and amounts collected by the said Department pursuant to this Order shall be paid out of or into, as the case may be, the revolving fund known as the Army Labour Account established under the provisions of Order in Council P.C. 6434 of August 13, 1943.

### Order in Council amending the R.C.A.F. (Air Force Act Amendment) Order No. 1, 1943

P.C. 7524

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 28th day of September, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas "The Royal Canadian Air Force (Air Force Act Amendment) Order No. 1, 1943", (Order in Council P.C. 6190 of August 26, 1943 as amended by Order in Council P.C. 9379 dated 7th December, 1943), effected certain modifications, adaptations and exceptions to the Air Force Act in force in the United Kingdom on the 1st day of May, 1943, for the purposes of their application to the Royal Canadian Air Force, under Section 11 of The Royal Canadian Air Force Act;

And whereas the Minister of National Defence for Air reports that, in the adaptation of Section 44 of the Air Force Act to the Royal Canadian Air Force, it is desirable to introduce in the scale of punishments that may be awarded by courts-martial to officers the punishment of "reduction to a lower commissioned rank in the air force" thereby bridging the gap between the punishment of "dismissal from His Majesty's Service" and the next lower punishment of "forfeiture of seniority of rank";

That, in the adaptation of the said Section 44, it is desirable to introduce in the scale of punishments that may be awarded by courts-martial to airmen the punishment of "discharge from His Majesty's service", thereby bridging the gap between the punishment of "discharge with ignominy from His Majesty's service" and the next lower punishment of "reduction to the ranks";

That further minor adaptations are required to be made to the said Section 44 in its application to the Royal Canadian Air Force; and

That it is desirable to effect the foregoing amendments or adaptations to the Air Force Act in its application to the Royal Canadian Air Force by further amending "The Royal Canadian Air Force (Air Force Act Amendment) Order No. 1, 1943".

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of National Defence for Air, and under and by virtue of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, and notwithstanding any Act, law, regulation or prerogative of the Crown to the contrary, is pleased to order, and it is hereby ordered as follows:

1. The modifications and adaptations made to Section 44 of the Air Force Act by "The Royal Canadian Air Force (Air Force Act Amendment) Order No. 1, 1943" (as amended) set out in the second column of the Table thereto (opposite Item (10)), are hereby revoked, and the modifications and adaptations to the said Section 44 of the Air Force Act in the second column of the Table to this Order (opposite Item (10)) are substituted therefor.

2. "The Royal Canadian Air Force (Air Force Act Amendment) Order No. 1, 1943" is hereby further amended accordingly, as of and from the date hereof.

A. D. P. HEENEY,  
*Clerk of the Privy Council.*

### Order in Council re cars ordered for loading grain.

P.C. 7594

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 3rd day of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas Sections 61 to 76 of the Canada Grain Act provide for the distribution of railway cars between country elevator operators and producers at local country points by applications made in the car order book;

And whereas the Minister of Trade and Commerce reports that the limitations placed on deliveries by individual producers through the quota system operated by the Canadian Wheat Board tend to restrict the exercising of the rights under the Canada Grain Act enjoyed by the producer in the matter of the shipment of his grain to terminal elevators; and

That, in the opinion of the Board of Grain Commissioners, to maintain an equitable distribution of railway cars between country elevators at the same point, it is desirable that, notwithstanding the provisions of the Canada Grain Act, where an application for a car for grain has been properly entered in the car order book, a subsequent change in the ownership of the grain, on or after delivery to a country elevator, should not affect delivery of it to a car so ordered;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Trade and Commerce and under and by virtue of the powers conferred by the War Measures Act, Chapter 206, Revised Statutes of Canada 1927, is pleased to order and doth hereby order that where an application for a car for grain has been properly entered in the car order book, a subsequent change in the ownership of the grain, on or after delivery to a country elevator, will not affect delivery of it to a car so ordered.

### Order in Council exempting paraffin wax from war exchange tax.

P.C. 7601

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 3rd day of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports that paraffin wax, the chief material used in the manufacture of candles, is dutiable under Tariff Item 272b at the rate of 15 per cent under the British Preferential Tariff, 22½ per cent under the Intermediate Tariff and 25 per cent under the General Tariff, while candles are dutiable under Tariff Item 226 of the same rates of duty;

That in addition to the customs duty imports of paraffin wax from non-British Empire sources are subject to the 10 per cent war exchange tax;

That Canada's production of paraffin wax has always been considerably less than 50 per cent of our requirements and during recent years this country's production has been used for essential war purposes;

That during the latter part of 1939 and the early part of 1940 the price of paraffin wax advanced almost 75 per cent over prewar prices;

That the continued high cost of imported paraffin wax has made it very difficult for firms engaged in the manufacture of candles to sell their finished product at ceiling prices and a number of firms engaged in this business have been operating at a loss;

That about 30 per cent of the paraffin wax used in Canada enters into the production of candles; and

That it would be in the best interests of the Canadian candle manufacturing industry if imported paraffin wax were exempt from the 10 per cent war exchange tax.

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to order and it is hereby ordered that paraffin wax when imported by manufacturers of candles for use exclusively in the manufacture of candles, in their own factories, be exempt from the war exchange tax of 10 per cent ad valorem, effective September 1, 1944.

Whereas an amendment to the Customs Tariff enacted at the last session of parliament established a new tariff item, designated as Item 692b, providing for duty free entry from all countries of:

"Trophies of war, being arms, military stores, munitions of war and other articles, which are to be retained for use as *bona fide* trophies under such regulations as the Minister may prescribe.....

Provided that no article admitted under this item shall be sold or disposed of for use other than as a *bona fide* trophy without payment of duty.

Provided further that any article before disposal thereof may be reduced to scrap and valued and rated for duty accordingly."

And whereas the Minister of Finance reports that imports of trophies of war which qualify for duty free entry under Tariff Item 692b are subject to the war exchange tax of 10 per cent ad valorem and the consumption or sales tax of 8 per cent;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to order and it is hereby ordered that imported trophies of war as provided for in Tariff Item 692b be exempt from the war exchange tax of 10 per cent ad valorem, the consumption or sales tax of 8 per cent, and the 3 per cent, special excise tax, effective June 27, 1944.

(b) to the widow of a veteran if she has attained the age of fifty-five years, or has not attained the age of fifty-five years but is, in the opinion of the authority appointed to administer this Order, so incapacitated by mental or physical disability as to be incapable and unlikely to become capable of earning a livelihood, and subject to

"That under The War Service Grants Act, 1944, a war service gratuity is payable, in certain circumstances, to dependents of members of the forces who died on service or after discharge from the forces;

- (2) If the specific price at which a person may sell or offer to sell any service has been fixed by a subsisting law in effect in the basic period, such specific price shall be the maximum price at which that person may sell or offer to sell that service.
- (3) No person shall sell or offer to sell any service the maximum price for which has not been fixed
  - (a) by Section 7 of the Wartime Prices and Trade Regulations, or
  - (b) by or under an order issued by or under authority of or with the concurrence of the Board or otherwise fixed by or under authority of the Board, or

 unless the maximum price at which he may sell such service is fixed under the authority of this Order and he has complied with this Order in all respects.

4. Jurisdiction over sales of some services has been or may be assigned by Order No. 434 of the Board or by the Administrator of Services under the authority of that order to another Administrator. In the case of sales of such services, references in this Order to the Administrator of Services are to be construed as references to that other Administrator.

### Change in Business Name

5. The maximum price at which any person who changes the name under which he operates a services business may sell or offer to sell any service shall be the maximum price at which he could lawfully sell that service if he had not changed such name.

### New Owner of a Service Business

6. Subject to Section 7, the maximum price at which the new owner of a service business may sell or offer to sell any service shall be the maximum price at which the former owner of the business could lawfully sell that service if he had continued to operate the business. (Every new owner must, however, obtain a licence from the Board under Order No. 202, or any order replacing that order, before he may sell any service.)

7. (1) The new owner of a service business shall, within thirty days after becoming such new owner, file at the nearest office of the Board a list showing each of the services that he sells or proposes to sell and, opposite each of such services, shall state the maximum price at which the former owner of the business could lawfully sell the service to the extent that he is able to ascertain that maximum price and, to the extent that he is unable to ascertain that maximum price, shall state the maximum price at which he proposes to sell the service which maximum price shall not exceed the price at which that service is being sold or offered for sale by the new owner's competitors in the same locality.
- (2) Upon filing the said list, the new owner may continue to sell the listed services at prices not exceeding the listed maximum prices mentioned in subsection (1), unless the Administrator of Services otherwise directs by notice in writing. Subject to subsection (3), however, no new owner who fails to comply with this Section shall sell or offer to sell any services after the expiration of the thirty days mentioned in subsection (1).
- (3) The Administrator of Services, upon application by the new owner, may exempt the new owner from the necessity of filing the list referred to in subsection (1) preceding and may by notice in writing give directions to the new owner as to the maximum prices at which the new owner may sell his services.
- (4) Every notice given by the Administrator of Services under this Section shall be sent in duplicate to the new owner who, upon receipt of the notice and

before further selling or offering to sell any service, shall endorse upon one copy of the notice a signed and dated acknowledgment of its receipt by him and shall forward that endorsed copy to the nearest Regional office of the Board or to such other office as may be designated in the notice.

### **New Entrant in Business**

8. No new entrant in business shall sell or offer to sell any service until he has filed the list referred to in Section 9 and has complied with this Order in all respects. (Before selling any service or filing the said list, however, he must obtain a licence from the Board under Order No. 202 or any order replacing that order. Also, before selling any service in Schedule B to Order No. 284 or any order replacing that order, he must obtain a permit from the Director of Licensing under that order.)

9. (1) Every new entrant in business shall file at the nearest office of the Board a list showing each of the services that he proposes to sell and, opposite each of such services, the price at which he proposes to sell the service and that price shall be the maximum price at which he may sell or offer to sell that service, subject to the following requirements:—

(a) If the maximum price at which he may sell a service has been fixed by any order made by or under authority of or with the concurrence of the Board or if the specific price at which he may sell a service has been fixed by a subsisting law in effect in the basic period, the price shown in the list for that service must not exceed such maximum or specific price. Upon filing the said list, the new entrant in business may thereupon proceed to sell that service at a price not exceeding such maximum or specific price.

(b) In respect of any service the maximum price for which has not been fixed in any way referred to in clause (a), the price for that service shown in the said list shall not exceed the price at which that service is being sold or offered for sale by the new entrant's competitors in the same locality. Upon filing the said list, the new entrant in business may sell the service at a price not exceeding the price shown in the list unless and until the Administrator of Services otherwise directs by notice in writing.

(c) In respect of any service the maximum price for which has not been fixed in any way referred to in clause (a) and is not a service being sold by any competitor in the same locality, the new entrant in business shall not sell or offer to sell such service until his maximum price therefor has been fixed by the Administrator of Services by notice in writing and he has complied with subsection (3) following.

(2) The Administrator of Services, upon application of the new entrant in business, may exempt the new entrant from the necessity of filing the list referred to in subsection (1) preceding and may by notice in writing give directions to the new entrant as to the maximum prices at which the new entrant may sell his services.

(3) Every notice in writing given under this Section shall be sent in duplicate to the new entrant in business who, before further selling or offering to sell any service referred to in the notice, shall forthwith endorse upon one copy of the notice a signed and dated acknowledgment of its receipt by him and shall forward that endorsed copy to the nearest Regional office of the Board or to such other office as may be designated in the notice.

### **New or Altered Services**

10. (1) No person shall sell or offer to sell a service that is not identical with a service the maximum price for which, on sales by him, has been fixed

(i) by Section 7 of the Wartime Prices and Trade Regulations, or

(ii) by or under an order issued by or under authority of or with the concurrence of the Board or otherwise fixed by or under authority of the Board, or

(iii) by or under authority of this Order,

until he has filed at the nearest office of the Board particulars adequately describing the service and stating the price at which he proposes to sell it. The price shown in the particulars shall be the maximum price at which he may sell or offer to sell that service, subject to the following requirements:—

- (a) If the maximum price at which he may sell the service has been fixed by any order made by or under authority of or with the concurrence of the Board or, if the specific price at which he may sell the service has been fixed by a subsisting law in effect in the basic period, the price shown in the particulars for that service must not exceed such maximum or specific price. Upon filing the particulars, he may thereupon proceed to sell that service at a price not exceeding that maximum or specific price.
  - (b) If the maximum price at which he may sell the service has not been fixed in any way referred to in clause (a), the price for that service shown in the particulars shall not exceed the price at which such service is being sold or offered for sale by his competitors in the same locality. Upon filing the particulars, he may sell the service at a price not exceeding the price shown in the particulars unless and until the Administrator otherwise directs by notice in writing.
  - (c) In respect of any service the maximum price for which has not been fixed in any way referred to in clause (a) and is not a service being sold by any competitor in the same locality, he shall not sell or offer to sell such service until his maximum price therefor has been fixed by the Administrator of Services by notice in writing and he has complied with subsection (2) following.
- (2) Every notice in writing given under this Section shall be sent in duplicate to the person who filed the particulars who, before further selling or offering to sell any service referred to in the notice, shall endorse upon one copy of the notice a signed and dated acknowledgment of its receipt by him and shall forward that endorsed copy to the nearest Regional office of the Board or to such other office as may be designated in the notice.

#### *Sales of Ungraded Apples*

16. (2) In provinces where the sale of windfalls is allowed, the maximum price at which a shipper may sell windfalls of any variety to any class of buyer shall be an amount equal to the maximum price at which he may sell domestic grade apples of the same variety to that class of buyer LESS 60 cents per barrel or 20 cents per bushel hamper or crate.

### PART IV—SALES BY WHOLESALE DISTRIBUTORS

18. The maximum price at which a wholesale distributor may sell any apples grown in Canada delivered to a buyer at any point in Canada shall be the sum of the following:—

- (a) the actual price paid by him for those apples together with any amount, not included in such price, paid by him for transporting the apples to the city,

town or village in which the buyer has his place of business but not in any event exceeding the maximum price at which, during the month the wholesale distributor purchased the apples, a shipper could have sold those apples to him delivered to the distributing centre nearest to such city, town or village together with an amount equal to the cost of transporting the apples to such city, town or village from such distributing centre at the lowest less than carload lot commodity freight rate on apples;

(b) the amount, if any, by which the maximum price at which a shipper could have sold those apples to the wholesale distributor during the month in which they are sold by the wholesale distributor, exceeds the maximum price at which a shipper could have sold those apples to the wholesale distributor during the month in which they were purchased by the wholesale distributor; and

(c) a markup not exceeding  $12\frac{1}{2}$  per cent of his selling price.

#### *Sales of Apples Received on Consignment*

#### *Combined Markups of Wholesale Distributors*

20. When sales of apples are made by and between wholesale distributors, the total amount of the markups of all the wholesale distributors combined must not exceed the amount of the markup which the first wholesale distributor could have included as part of his selling price on a sale to a person other than a wholesale distributor. Every wholesale distributor when selling to another wholesale distributor shall deliver to the buyer before or at the time he makes delivery of the apples an invoice stating the total combined markup and the amount thereof available to the buyer.

### PART V—SALES BY RETAILERS

21. (1) The maximum price at which a person other than a shipper may sell at retail any apples grown in Canada shall be the sum of the following:—

(a) his actual delivered cost of those apples but not exceeding the lawful maximum price delivered to the city, town or village in which he has his place of business at which his supplier could have sold those apples to him during the month in which he purchased them;

(b) the amount, if any, by which the maximum price at which a shipper could have sold those apples to the retailer during the month in which they are sold by the retailer, exceeds the maximum price at which a shipper could have sold those apples to the retailer during the month in which they were purchased by the retailer; and

(c) a markup not exceeding,

(i) 20 per cent of his selling price, if the apples are packed and sold in containers having a capacity of 35 pounds or more; or

(d) if he purchased these apples from a shipper at a price not exceeding the maximum price at which a shipper could have sold the apples to a wholesale distributor, a markup not exceeding

(2) For the purposes of this Section, "lawful laid-down cost" means the sum of the amounts set forth in clauses (a) and (b) of subsection (1) preceding.

(3) Except as provided in subsection (5) of this Section, if Canadian grown apples are not sold by a retailer by the container in the original container in which they were packed when received by him, they shall be priced and sold by him on a per pound basis. When Canadian grown apples are sold at retail by weight the maximum price per pound shall be determined by dividing the lawful laid-down cost of such apples per original container by the net weight of the apples in the original container in which they were packed when received by the retailer and by adding to the cost per pound so obtained a markup not exceeding the applicable markup set forth in clause (c) or (d) of subsection (1) preceding, as the case may be.

(4) For the purpose of determining the maximum price per pound of any Canadian grown apples sold at retail by weight, the net weight of the apples in the original container in which they were packed when received by the retailer shall be deemed to be the net weight for such container set forth in the following table:—

TABLE

Quebec crate.....	42 pounds
Standard Apple Box or Bushel carton (wrapped).....	42 pounds
Standard Apple Box or Bushel carton (unwrapped).....	40 pounds

When Canadian grown apples are sold at retail by unit, the maximum price per unit shall be determined by dividing the lawful laid-down cost of such apples per original container by the number of units stamped or marked on the original container in which the apples are packed when received by the retailer and by adding to the cost per unit so obtained a markup not exceeding the markup set forth in paragraph (ii) of clause (c) or (d) of subsection (1) preceding, as the case may be.

Orders in Council

**Order in Council extending powers, duties and functions of Canadian  
Medical Procurement and Assignment Board**

P.C. 7523

*Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council approved by His Excellency the Governor General on the 6th October, 1944.*

The Committee of the Privy Council have had before them a report, dated 16th September, 1944, from the Associate Minister of National Defence, representing as follows,—

Pursuant to the provisions of Order in Council dated 20th July, 1942, P.C. 6185, as amended by Orders in Council dated 17th November, 1942, P.C. 10360 and 1st December, 1942, P.C. 10934, a committee in the Department of National Defence at National Defence Headquarters, known as "The Canadian Medical Procurement and Assignment Board" has been established.

The duties of the said Board are to determine the number of physicians, dentists, nurses and medical and dental technical personnel available for appointment to the armed forces; to allocate the medical and dental officers, nursing sisters and medical and dental technical personnel in proper proportion for appointment to the three branches of the said forces; to consider in relation to the requirements of the armed forces the requirements of civilian medical, dental and nursing services and war industry; and to make surveys and investigations with respect to the availability of physicians, dentists, nurses and medical and dental technical personnel in order that adequate provision may be made for the future requirements of the armed forces.

It is now considered desirable that the duties of the said Board, acting in an advisory capacity to the Rehabilitation Branch of the Department of Pensions and National Health, should be extended to include the survey of post-graduate and refresher training facilities in Canada designed to meet the needs of ex-service personnel in the fields of medicine and public health and to study and advise upon the placement opportunities in Canada for medical practitioners and that a representative of the Association of Canadian Medical Colleges, a representative of the Royal College of Physicians and Surgeons of Canada, and a representative of the Canadian Hospital Council should be appointed to the Board.

The Committee, therefore, on the recommendation of the Associate Minister of National Defence, advise that the powers, duties and functions of "The Canadian Medical Procurement and Assignment Board" established by Order in Council dated the 20th July, 1942, P.C. 6185, as amended, be exercised in relation to and extended to include the survey of post-graduate and refresher training facilities in Canada designed to meet the needs of ex-service personnel in the fields of medicine and public health and the placement opportunities in Canada for medical practitioners.

The Committee, on the same recommendation, further advise that in addition to the present members the following persons be hereby appointed members of The Canadian Medical Procurement and Assignment Board:

- (a) a representative appointed by the Association of Canadian Medical Colleges;
- (b) a representative appointed by the Royal College of Physicians and Surgeons of Canada, and
- (c) a representative appointed by the Canadian Hospital Council.

P.C. 7753

*Certified to be a true copy of a Minute of a Meeting of the Committee of the Privy Council, approved by His Excellency the Governor General on the 6th October, 1944.*

The Committee of the Privy Council have had before them a report dated 2nd October, 1944, from the Minister of Public Works, stating:—

That Mr. Frank Johnson, of Sombra, Ontario, holds a licence under the provisions of Chapter 68, Revised Statutes of Canada, 1927—the Ferries Act—for the operation of a public ferry across the St. Clair river between Sombra, in the Province of Ontario, and Marine City, in the State of Michigan, one of the United States of America, which licence will expire on April 30, 1945;

That the clause in this licence establishing the maximum fares and tolls to be collected from the users of the ferry reads as follows:

*Certified to be a true copy of a minute of a Meeting of the Treasury Board, approved by His Excellency the Governor General in Council, on the 4th October, 1944.*

The Board recommend that, under authority of the War Measures Act, the regulations made by Order in Council P.C. 53/4120, dated 19th May, 1943, be amended by inserting the words "PART I" at the commencement thereof and by adding the following as "PART II" thereof:

#### PART II

"Where loss of or from a registered or insured postal packet takes place in the Dominion of Canada after receipt thereof, from the Postal Service, by a unit of the Royal Air Force, compensation not exceeding the sum of \$100.00 in respect of loss of or from any one such registered or insured postal packet or of the contents thereof shall be payable to the addressee or to the sender upon the addressee waiving his claim; subject, however, to the terms and conditions hereinafter set forth:

1. Each case wherein such loss occurs shall be reported to the Judge Advocate General.

2. The Judge Advocate General shall have power to cause such investigation as he deems necessary to be carried out in respect of such loss, and if in the opinion of the Judge Advocate General the loss has occurred after delivery by the Postal Service to a unit of the Royal Air Force he shall certify accordingly to the Chief Treasury Officer stating the compensation which is payable to the addressee or the sender upon the addressee waiving his claim, and the Chief Treasury Officer shall, upon such certification, make payment accordingly.

3. The Judge Advocate General shall determine the compensation and payment shall be made on the same scale as would have been paid by the Canadian Post Office Authorities had the said registered or insured postal packet been lost while in the possession of the said Post Office Authorities, the compensation not to exceed \$100.00 in respect of the loss of any one registered article or insured parcel or the contents thereof.

4. For the purposes of this order the expression 'unit of the Royal Air Force' shall mean, with respect to the period ending June 30, 1942, any training school, unit or formation of the Royal Air Force present in Canada under the conditions mentioned in Order in Council P.C. 6841 dated 25th November, 1940, and, with respect to the period subsequent to and including July 1, 1942, any Royal Air Force unit serving in the Combined Training Organization in Canada.

5. The provisions of this Part shall be deemed to come into force and operation as of and from the 25th day of November, 1940, provided, however, that except for the purpose of dealing with claims outstanding at the date of this order the said provisions shall be deemed to have come into force and operation as of and from the date hereof."

## Order in Council amending the Regulations re War Savings Certificates

P.C. 7880

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 13th day of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 4578 dated June 4, 1943, it was made an offence to traffic in or attempt to acquire war savings certificates registered in the name of another person;

And whereas the Registrar of War Savings Certificates has encountered cases where individuals have innocently and without any intent to traffic, acquired for the full cash value, War Savings Certificates registered in the names of other persons, and he reports that frequently the equities of such cases would dictate that the Certificates be redeemed in the names of such innocent holders rather than the registered owners;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance and under and by virtue of the War Measures Act, is pleased to amend Order in Council P.C. 4578 dated June 4, 1943, and it is hereby amended by adding the following paragraph to sub-clause (1) of Clause 5:

"(b) In the case of any agreement or arrangement falling within the provisions of the preceding paragraph, where in the opinion of the Minister, on the advice of the Registrar of War Savings Certificates, the transaction between the person presenting the War Savings Certificate for redemption and the registered holder involved no trafficking in War Savings Certificates, and revealed that no discount had been exacted but that the full redemption value had been paid to the registered holder, the Minister may in his absolute discretion return the War Savings Certificates to the person presenting them for redemption or send them to the registered holder or redeem them in accordance with the regulations and send the proceeds of redemption to the person presenting the Certificates, provided that in any case where the face value of the War Savings Certificates presented by a person not the registered holder is not in excess of \$50.00 the Registrar may redeem the War Savings Certificates in accordance with the regulations and pay the proceeds of such redemption to such person and the transaction whereby such person acquired the said Certificates shall be deemed to involve no trafficking or offence under this Order."

# Order in Council re disposal of machine tools

P.C. 7909

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 10th day of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Munitions and Supply reports:—

1. That by Order in Council P.C. 1339 of March 4, 1944, as amended by Order in Council P.C. 5300 of July 12, 1944, the Minister of Munitions and Supply was authorized to transfer to War Assets Corporation, and War Assets Corporation was authorized to sell, subject to the qualifications therein set out, machine tools which fall within two classes, namely:—

(a) machine tools which are surplus Crown assets as now defined in the Surplus Crown Assets Act; and

(b) machine tools which are not surplus Crown assets as so defined but are not, and are not likely to be, fully utilized for war production;

2. That experience has indicated that certain changes in the procedure authorized by the said Order in Council are advisable, particularly that the two classes of machine tools above mentioned should be dealt with separately and that the same qualifications and conditions should not apply to both, that the procedure be extended to include other production equipment and that the method of pricing be changed;

3. That, dealing with the firstly above mentioned class, the Crown Assets Allocation Committee has accordingly recommended that Order in Council P.C. 1339 be revoked and that the Minister of Munitions and Supply be authorized to transfer to War Assets Corporation machine tools and other production equipment (hereinafter collectively called "production equipment") reported to him from time to time pursuant to the provisions of the Surplus Crown Assets Act, to be disposed of by War Assets Corporation subject to the following qualifications and conditions:—

(1) That, subject to the instructions of the said Minister, any such production equipment may be sold by War Assets Corporation to such persons, firms or corporations and upon such terms as the Corporation may deem proper;

(2) That, in fixing the prices for such production equipment sold or offered for sale by it, War Assets Corporation may take into account the fact that in the majority of cases the cost of production equipment acquired by His Majesty for war purposes (much of which was of necessity imported from the United States) was substantially higher than the pre-war cost or the probable post-war cost of similar production equipment and may also take into account the extent to which such production equipment has been used prior to the sale thereof;

(3) That, except with the approval of the said Minister, no such production equipment shall be sold at a price less than 68.2 per cent of the Canadian cost thereof less depreciation at the rate of 0.9 per cent of such cost per month for each month during which such production equipment was in operation, provided that in no event (except with such approval) shall any such production equipment be sold at a price less than 25 per cent of such cost; and "Canadian cost" shall not include transportation charges or installation cost but shall include exchange paid or payable, together with duty, war exchange tax, sales and excise taxes normally payable with respect to such production equipment, whether or not the said duties and taxes were paid or payable or were exempted, remitted or refunded at the time of purchase or importation thereof or subsequently;

4. That, dealing with the secondly above mentioned class, the Machine Tool War Service Committee, which as constituted to act on behalf of the Machine Tools Controller and the Co-ordinator of Production of the Department of Munitions and Supply for the purpose of advising as to the most efficient allocation and use for war

production of machine tools owned by His Majesty, and under the control and administration of the Department of Munitions and Supply advises that in present and anticipated war requirements certain production equipment, while not unnecessary to such requirements, is not, and is not likely to be, fully utilized for war production;

5. That the Department of Munitions and Supply has received numerous applications and enquiries from manufacturers and others who have intimated that they would be prepared to purchase certain of such production equipment either immediately or at a future date;

6. That the Machine Tool War Service Committee accordingly recommends that the Minister of Munitions and Supply be authorized to transfer such production equipment to War Assets Corporation, which shall thereupon assume responsibility for the custody and disposal thereof and shall proceed to sell the same subject to the qualifications and conditions set forth in clauses (2) and (3) of paragraph 3 hereof, and to the following additional conditions:—

(a) that no such production equipment shall be sold to any person, firm or corporation except as directed by the said Minister;

(b) that all sales of such production equipment by War Assets Corporation shall be upon terms that until the termination of the war the same will not be disposed of by the purchasers without the consent of the Minister of Munitions and Supply, and will be held available for use for purposes connected with war production, and also that any such production equipment may be repurchased by or for the account of His Majesty at the prices at which it was sold by War Assets Corporation less a proper allowance for depreciation from the date of such sale;

7. That the Crown Assets Allocation Committee concurs in the above recommendation of the Machine Tool War Service Committee; and

8. That the Minister of Munitions and Supply is of the opinion that the procedure as so recommended will be in the public interest.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Munitions and Supply, and under and by virtue of the powers conferred by the Surplus Crown Assets Act is pleased hereby to revoke Order in Council P.C. 1339 of March 4, 1944, to approve the above recommendations of Crown Assets Allocation Committee and the Machine Tool War Service Committee and to authorize the Minister of Munitions and Supply and War Assets Corporation to proceed in accordance therewith.

## Order in Council amending the Government Employees Compensation Regulations, 1942, Newfoundland

P.C. 160/7934

*Certified to be a true copy of a minute of a meeting of the Treasury Board, approved by His Excellency the Governor General in Council, on the 14th October, 1944.*

The Board had under consideration a memorandum from the Honourable the Minister of Transport reporting:

“That by Order in Council (P.C. 1004) of the 8th day of February, 1943, regulations known as the Government Employees Compensation Regulations, 1942 (Newfoundland), were made for the purpose of making provision for payment of compensation to Government employees who are injured by accident occurring in Newfoundland or while travelling between Canada and Newfoundland, and to their dependents in case of death;

That it is deemed expedient to amend the said regulations,—

- (a) to provide for settlement of compensation, in the case of injury or death suffered by an employee ordinarily resident in Canada, in accordance with the law of the Province of Ontario, or at the election of the employee, or his dependents, in accordance with the law of the province in which such employee ordinarily resides or was ordinarily resident at the time of his death;
- (b) to provide for special tariffs of medical and surgical fees, X-Ray fees, and hospital fees and allowances payable in respect of medical and surgical services, X-Ray services and hospital services in Newfoundland where, owing to increased costs of living, the charges for such services are on a somewhat higher scale than in Canada.

The undersigned, therefore, has the honour to recommend that, pursuant to the provisions of the War Measures Act, authority be given for amending the Government Employees Compensation Regulations, 1942 (Newfoundland), as follows:

1. By striking out Section 3 of said regulations and substituting therefor the following:—

'3. Where an employee ordinarily resident in Canada is caused personal injury or is killed by an accident occurring in Newfoundland, or while he is travelling between a place in Newfoundland and a place in Canada, the accident shall, for the purposes of the Government Employees Compensation Act, be deemed to have occurred in the Province of Ontario or, if the employee, or his dependents in case of death, so elect and give notice of election within one month from the happening of the accident, in the province in which the employee ordinarily resides or was ordinarily resident at the time of his death.'

2. By adding to the said regulations the following as Section 7:—

'7. Notwithstanding anything in these regulations contained, where an employee who is entitled to compensation under these Regulations receives medical or surgical treatment or X-Ray or hospital services in Newfoundland, the Minister may authorize payment for such medical or surgical services in accordance with the scale of fees set out in the tariff of fees attached hereto marked "A"; for such X-Ray services in accordance with the tariff of fees attached hereto marked "B"; and for such hospital services in accordance with the tariff of fees and allowances attached hereto marked "C":—'

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

## AT THE GOVERNMENT HOUSE AT OTTAWA

SATURDAY, the 1st day of November, 1941.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 2516 of the 3rd day of September, 1939, the Wartime Prices and Trade Board was constituted and The Wartime Prices and Trade Board Regulations were made and established to provide safeguards under war conditions against any undue enhancement in the prices of food, fuel and other necessities of life, and to ensure an adequate supply and equitable distribution of such commodities;

And whereas by Order in Council P.C. 3998 of the 5th day of December, 1939, the said Regulations were amended and consolidated;

And whereas by amendment of Section 88 (a) of the Special War Revenue Act and by Order in Council P.C. 7373 of the 13th day of December, 1940, the provisions of such Regulations were extended and made to apply to the jurisdiction respectively conferred upon the Board in respect of the War Exchange Tax of 10 per cent on the value for duty of imported goods and in respect of goods specified in Schedules One and Two to the War Exchange Conservation Act, 1940;

And whereas by Order in Council P.C. 6834 of the 28th day August, 1941, the said Regulations were amended and consolidated, extending the jurisdiction of the Board to goods and services, providing that public control of the prices of goods and services should be exercised by or with the concurrence of the Board, and making provision for co-ordination with the Wartime Industries Control Board and Controllers appointed on the recommendation of the Minister of Munitions and Supply and for co-operation with other governmental departments and agencies;

And whereas by Order in Council P.C. 8527 of the 1st November, 1941, the Maximum Prices Regulations were made and established, to be administered by the Board under powers conferred by the Wartime Prices and Trade Regulations and, in order that the Board may more effectually perform its duties, it is deemed advisable that additional powers be conferred upon it, and that the latter Regulations be strengthened in some respects;

And whereas it is deemed advisable to consolidate the Regulations as amended and, to that end, to rescind such Regulations and to make and establish in substitution therefor the Regulations hereinafter set forth;

Now therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under and by virtue of the powers conferred on the Governor General in Council by the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927 and otherwise, is pleased to order and doth hereby order as follows:

1. The Wartime Prices and Trade Board Regulations made by Order in Council P.C. 6834 of the 28th day of August, 1941, are hereby rescinded.

2. The Regulations hereinafter set forth are hereby made, established and substituted for the Regulations hereby rescinded.

3. The powers of the Wartime Prices and Trade Board and the provisions of the Regulations referred to in Section 88 (a) of the Special War Revenue Act and in Order in Council P.C. 7373 of the 13th day of December, 1940, shall be held and construed to be those contained in the Regulations hereby made and established.

- (2) The highest lawful price at which any person sold any goods or services during the basic period shall be the maximum price at which such person may sell or offer to sell goods or services of the same kind and quality; provided, however, that the provisions of this subsection shall not apply so as to supersede or vary any specific or maximum or minimum price fixed prior to December 1, 1941, by or on behalf of or under authority of the Board, or fixed or approved prior to December 1, 1941, by any other federal, provincial or other authority with the written concurrence of the Board, nor so as to fix any maximum price with respect to

- (3) Wherever any maximum price has been fixed for any goods or services by reference to the price at which goods or services of the same kind and quality were sold by a seller during a specified period or on a specified date, such maximum price shall also be the maximum price at which the same seller may sell or offer to sell goods or services of a substantially similar kind and quality not sold by him during such period or on such date; and in any case in which the question arises as to the lawful price for any such goods or services the onus of proving the existence and extent of any relevant and substantial similarity or dissimilarity alleged by the seller shall be upon him.
  - (4) Wherever a maximum price has been fixed for any goods or services every seller shall continue to allow any difference in price which he has during the basic period or customarily allowed to different classes of buyers or for different quantities or under different conditions of sale, and which result in a lower net price per unit of goods or services.
  - (5) No person shall impose any terms or conditions of sale, or alter any terms or conditions of sale imposed or agreed to by such person during the basic period or customarily imposed or agreed to by such person, in such a way as directly or indirectly to increase the maximum price of any goods or services.
  - (6) Where a contract to supply any goods or services was entered into prior to the basic period or subsequent to the basic period but prior to December 1, 1941, at a price higher than the maximum price pursuant to these regulations, the price for any goods or services supplied under such contract on or after December 1, 1941, shall be reduced to such maximum price.
  - (7) For the purposes of this Section if a person operates a branch of his business or otherwise operates more than one place of business, he shall, in respect of each such branch or place of business, be deemed to be a separate seller.
  - (8) Nothing contained in this Section shall be deemed to supersede any provision of any order or to derogate from any power conferred on the Board, and without restricting the generality of this provision, the Board may vary any maximum price, may concur in any variation of a maximum price, may prescribe other or additional terms or conditions of sale, may exempt any person or any goods or services or any transaction wholly or partly from the provisions of these regulations, and may withdraw any such exemption or any exemption contained in subsection (2) of this Section, either generally or in specific cases and subject to such terms and conditions as the Board may prescribe.
10. Section 8 of the said regulations, as renumbered, is amended as follows:
- (1) By deleting subsection (3) thereof and substituting therefor the following:

    - (i) acquire, accumulate or withhold from sale any goods or services beyond an amount which is reasonably required for the ordinary purposes of his business or beyond such amount, if any, as the Board may prescribe; or
    - (ii) acquire or accumulate any goods or services beyond an amount which is reasonably required for the use or consumption of himself and his household or beyond such amount, if any, as the Board may prescribe.”
  - (2) By deleting subsection (10) thereof and substituting therefor the following:
 

“(10) No person shall attempt to commit or aid or abet the commission of any offence under these regulations, or conspire with any other person by any means whatsoever to commit an offence under these regulations, or enter into any transaction or arrangement designed for the purpose or having the effect of evading any regulation or order.”
  - (3) By adding thereto as subsection (11) the following:
 

“(11) No person shall make any false statement or misrepresentation to or for the use or information of the Board or of any person concerned in the administration of these regulations.”

13. Section 11 of the said regulations, as re-numbered, is amended by adding thereto subsection (3) as follows:

"(3) In any proceedings for an offence under these regulations,

(a) where the price at which any sale of goods or services was made by or on behalf of the accused during any period or on any date is proved on behalf of the prosecution, such price shall, unless and until the accused proves the contrary be deemed to be the highest lawful price at which goods or services of the same kind and quality were sold by or on behalf of the accused during such period or on such date;

(b) where any goods or services sold or offered for sale by or on behalf of the accused on or after December 1, 1941, are alleged on behalf of the prosecution to be of the same or substantially similar kind and quality as goods or services sold by or on behalf of the accused during any period or on any date, such goods or services shall, unless and until the accused proves the contrary, be deemed to be of the same or substantially similar kind and quality as the said goods or services sold by or on behalf of the accused during the said period or on the said date;

(d) the original or a copy of any sales slip, charge slip, invoice, voucher, book of account, bill, monthly statement, or other document whatsoever, which is proved on behalf of the prosecution to have been found in or produced from the possession of the accused or his agent or to have been issued to him or his agent and which records or purports to record the price, date, subject-matter or other particulars of a sale or purchase shall be *prima facie* evidence that a sale or purchase as indicated therein was made by or on behalf of the accused;

(e) the original or a copy of any catalogue, pricelist, handbill, circular letter, pamphlet, card, poster, price-tag or price-marking, letter of quotation, tender, advertisement or other document whatsoever, which is proved

TUESDAY, the 10th day of November, 1942.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports that he has received representations from the Wartime Prices and Trade Board to the effect that in order to accomplish in the national interest the release of man-power for the armed forces and for production of war supplies and of essential civilian requirements, the Wartime Prices and Trade Board has been given the responsibility of generally controlling and regulating all business undertakings and activities and, whenever in the national interest, of eliminating or curtailing specific undertakings and activities;

And whereas in order that the Board may effectually perform such duties, it is deemed necessary and advisable to clarify and strengthen in some respects the Wartime Prices and Trade Regulations established by Order in Council P.C. 8528 of the 1st day of November, 1941, as amended, and to confer upon the Board additional powers as hereinafter set forth;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance and pursuant to the powers conferred on the Governor in Council by the War Measures Act and otherwise, is pleased to amend the Wartime Prices and Trade Regulations established by Order in Council P.C. 8528, dated November 1, 1941, as amended, and they are hereby further amended as follows:

"(j) to require any person to obtain licences or permits from the Board or from any person specified by the Board; and to issue, re-issue or refuse to issue licences or permits to any persons; to grant general licences or permits; and to fix any fee payable for such licences or permits; provided, however, that the issue to any person of a licence or permit shall not be deemed to affect the liability of such person to obtain a licence or permit as required by any other statute or law of Canada or any province thereof;"

"(k) to amend, suspend or cancel any licence or permit issued or granted;"

"(p) to take possession of any goods or services or any other property, paying to the owners thereof, in the case of goods or services, such price or compensation, as may, in default of agreement, be prescribed by the Board with the approval of the Minister and, in the case of any other property, such price or compensation, if any, as, in default of agreement, may be determined by the Exchequer Court on a reference thereto by the Minister;"

2. Subsection (1) of section 4 of the said Regulations is further amended by re-lettering clause (r) thereof as clause (x) and by adding to such subsection the following clauses:

- "(r) to prohibit the formation, commencement, operation, amalgamation, merger, consolidation or transfer of any business or undertaking, as any such expression may be defined from time to time by the Board;

- "(u) to require any person engaged in any business or undertaking to pool or otherwise use, operate or deal with any real and personal property in such manner and on such terms and conditions as the Board may prescribe;
- "(v) to approve any arrangement proposed by the operators of two or more businesses or undertakings for the pooling or other disposition of the revenues or profits of such businesses or undertakings or for the establishment of a fund or funds to provide compensation for persons required to discontinue or limit a business or undertaking pursuant to these regulations;
- "(w) to require establishment of a fund or funds, in such manner and circumstances as the Board may prescribe, for the purpose of compensation of persons required to discontinue or limit a business or undertaking pursuant to these regulations; and to require any person to contribute to such fund or funds in such manner and on such terms and conditions as the Board may prescribe; and to require disbursement from such fund or funds to such persons in such sums in such manner and on such terms and conditions as the Board may prescribe; provided that nothing in these regulations shall be deemed to require the Board to make provision for any compensation of any person;"

3. Section 4 of the said Regulations is further amended by adding the following as subsection (3) thereof:

- "(3) The Board shall keep the Minister advised of the principles it is following in exercising the powers conferred upon it by these regulations and shall refrain from doing all such things as the Minister may, in writing, from time to time direct;"

### **SPECIAL NOTICE**

The Government of Canada is trying to prevent excessive increases in costs and prices so that there will not be a disastrous price rise that will weaken the war effort, create chaos in many industries and cause general misery.

**This Order fixes maximum wholesale and retail prices of pork and is part of this price control programme.**

These maximum prices have been fixed for top quality products and in fixing them, consideration had to be given to the needs of high cost operators. Anyone who is able to sell below these prices because of lower quality, large volume or low operating costs should do so. In this way he will be sharing in the fight against disastrous inflation and will be complying with both the spirit and the letter of the regulation.

## SPECIAL NOTICE

The Government of Canada is trying to prevent excessive increases in costs and prices so that there will not be a disastrous price rise that will weaken the war effort, create chaos in many industries and cause general misery.

THIS ORDER FIXES MAXIMUM WHOLESALE AND RETAIL PRICES AND IS PART OF THIS PRICE CONTROL PROGRAMME.

These maximum prices have been fixed for top quality products and in fixing them, consideration had to be given to the needs of high cost operators. Anyone who is able to sell below these prices because of lower quality, large volume or low operating costs should do so. In this way he will be sharing in the fight against disastrous inflation and will be complying with both the spirit and the letter of this regulation.

ADMINISTRATOR'S ORDER NO. A-1414

### Respecting Maximum Prices of Hay in the Central and Eastern Provinces

The purpose of this order is to curb the undue increase in prices of hay which are occurring in many parts of the Central and Eastern Provinces and which, if allowed to continue, will adversely affect production of livestock and livestock products.

Now therefore under powers given by the Wartime Prices and Trade Board to the Feeds Administrator,

IT IS HEREBY ORDERED AS FOLLOWS:

#### *Application and Effective Date*

1. This Order comes into effect on October 20, 1944, and applies to all sales of hay in the central and eastern provinces including sales by one primary producer to another. The central and eastern provinces include Ontario, Quebec, Nova Scotia, New Brunswick and Prince Edward Island.

#### *Definitions*

- 2. (1) "hay" means all types of sun-cured unthreshed grasses and legumes customarily classified as hay;
- (2) "sell" includes an offer to sell;
- (3) "shipper" means a primary producer of hay and/or any person who assembles and ships hay in the area of production;
- (4) "wholesale dealer" means a person who buys from a shipper or another wholesale dealer for resale to another wholesale dealer or to a retailer;
- (5) "retailer" means a person who buys hay from a shipper or wholesale dealer for resale to a feeder or ultimate consumer or other person who does not buy for the purpose of resale.

#### *Maximum Prices—Sales by Shippers (Including Primary Producers)*

3. (1) The maximum price at which a shipper may sell any hay to another shipper, to a wholesale dealer or to a retailer shall be

- (a) if the hay is baled and is sold f.o.b. the railway shipping point in or nearest to the area of production,
  - (i) \$18.00 per ton if he loads the hay on railway cars; or
  - (ii) \$17.00 per ton if he does not load the hay on railway cars;

- (b) if the hay is baled and is sold f.o.b. his farm, \$17.00 per ton LESS the normal cost of transporting baled hay by common carrier from his farm to the railway shipping point in or nearest to the area of production;
- (c) if the hay is not baled and is sold f.o.b. his farm, the maximum price per ton at which he may sell baled hay, f.o.b. his farm, LESS the charge per ton customarily made for baling in the district in which the hay is grown or LESS \$3.00 per ton, whichever amount is the lesser.

(2) The maximum price, f.o.b. his farm or railway shipping point, at which a shipper may sell any hay direct to a person who buys the hay as feed for his own livestock shall be an amount equal to the maximum price at which he may sell that hay to a retailer as fixed by subsection (1) of this section, PLUS

- (a) \$1.50 per ton if he ships the hay by railway in carload lots; or
- (b) \$3.50 per ton if he ships or sells the hay otherwise than by railway in carload lots;

(3) If a shipper sells any hay to any person on a delivered basis, his maximum price on that sale shall be an amount equal to the maximum price at which he may sell that hay to that buyer, f.o.b. his farm or railway shipping point, as the case may be, PLUS the normal cost of transporting the hay by common carrier to the buyer's receiving point. If the shipper transports the hay by his own means of transportation he may charge for that service not more than the normal cost of transporting the hay by common carrier.

*Maximum Prices—Sales by Wholesalers and Retailers of Carload Lots*

4. The maximum price per ton at which any person other than a shipper may sell hay in carload lots shall be the sum of the following:

- (a) the actual price paid by him for the hay but not exceeding the lawful maximum price at which that hay may be sold to him by a shipper;
- (b) the actual cost of transporting the hay by railway freight in carload lots from the original railway shipping point in or nearest to the area of production to the point of delivery to the buyer; and
- (c) a markup not exceeding \$1.50 per ton.

*Maximum Prices—Sales by Wholesale Dealers of Less Than Carload Lots*

5. The maximum price per ton at which a wholesale dealer may sell any hay in less than carload lots shall be the sum of the following:

- (a) the actual price paid by him for the hay but not exceeding the lawful maximum price at which that hay may be sold to him by a shipper;
- (b) the actual cost of transporting the hay by railway freight from the original railway shipping point in or nearest to the area of production to the point of delivery to the buyer; and

6. The maximum price per ton at which a retailer may sell any hay in less than carload lots shall be the sum of the following:

- (a) the actual price paid by him for the hay but not exceeding the maximum price that may be charged for that hay by his supplier under the provisions of this Order;
- (b) the actual cost of transporting the hay by railway freight from the original railway shipping point in or nearest to the area of production to the retailer's receiving point where and to the extent that such cost is not included in such actual price; and
- (c) a markup not exceeding
  - (i) \$2 per ton on sales ex railway car; or
  - (ii) \$3 per ton on sales f.o.b. his warehouse.

### *Sales Invoice*

7. (1) On every sale of hay to a wholesale dealer or a retailer, the seller shall at the time of delivery of the hay, furnish the buyer with an invoice showing the name and identifying address of the seller and the buyer, the date of sale, the province in which the hay was grown, the quantity sold and the price per ton charged. Any transportation charges paid by the seller must be shown as a separate item on the invoice.

(2) Every such seller shall keep a duplicate copy of each invoice furnished by him as required by this Section.

### *Records of Purchases*

8. Every wholesale dealer and retailer shall immediately upon receipt by him of any hay purchased by him make a written record at his place of business showing the date of purchase, the name and identifying address of his supplier, the province in which the hay was grown, the quantity purchased and the price and transportation charges paid by him. However, if such person keeps the invoice he received from his supplier in accordance with Section 7 he need not keep any other record of the particulars of sale shown on the invoice.

### *Inspection of Records and Invoices*

9. Every invoice and record which a purchaser or a seller of hay is required by this Order to make or keep shall be kept available for inspection by any authorized representative of the Board at any time within twelve months of the date of the transaction to which it relates.

### *Sales Slips on Sales by Retailers*

10. Every retailer shall upon request of his buyer furnish him with a sales slip showing the date of sale, the seller's name and address, the province in which the hay was grown, the quantity sold and price charged therefor.

### *Additional Payments and Considerations to be Part of the Price*

11. Any consideration, money or money's worth given or paid by the buyer to any person in connection with the purchase of any hay or received by the seller from any person in connection with the sale of any hay shall constitute part of the price for such hay.

Dated at Ottawa this 17th day of October, 1944.

J. G. DAVIDSON,  
*Feeds Administrator.*

APPROVED:

D. GORDON,  
*Chairman, Wartime Prices and Trade Board.*

### NOTE TO ADMINISTRATOR'S ORDER No. A-1414

The following example is given to assist primary producers in the central and eastern provinces to calculate their maximum prices. Transportation and baling charges will vary and in the case of sales of baled and loose hay at the farm the primary producer must use the actual charges to calculate his price.

(1) In any one of the central or eastern provinces a farmer may sell hay baled and loaded into cars at his nearest railway shipping point for \$18 per ton. If he does not load the hay on cars his maximum price is \$17 per ton.

(2) If he sells baled hay at his farm his price will be \$17 per ton less normal hauling charges from his farm to the nearest railway shipping point. If these charges are 50 cents per ton the maximum price will be \$16.50 per ton.

(3) If he sells the hay loose or unbaled at the farm the maximum price per ton, in this example, will be \$16.50 less the customary baling charges or \$3 per ton whichever is the lesser. If the customary baling charge is \$2.50 the maximum price will be \$14 per ton for loose hay at the farm.

## Order in Council re losses of remittances made for purchase of War Savings Certificates

P.C. 16/8202

*Certified to be a true copy of a Minute of a Meeting of the Treasury Board, approved  
by His Excellency the Governor General in Council, on the 25th October, 1944.*

The Board had under consideration a memorandum from the Honourable the Minister of Finance reporting:

"1. That at the request of the National War Finance Committee the Bank of Canada in its capacity as fiscal agent for the Government of the Dominion of Canada, has instituted a special issue of War Savings Certificates for sale over-the-counter through the Canadian chartered banks, accounting post offices and certain designated institutions.

2. That there has been a loss in the mail of a regular monthly remittance mailed by the Royal Bank of Canada, Sargent and Sherbrook Sts., Winnipeg, Manitoba, on the second day of March, 1944, and addressed to the Registrar, War Savings Certificates, Ottawa, containing cancelled War Savings Stamps aggregating \$640.00.

3. That in the normal course some remittances of cancelled War Savings Stamps from the over-the-counter selling agents to the Registrar, War Savings Certificates, are occasionally lost or stolen in transit before reaching the Registrar, War Savings Certificates.

4. That in the opinion of the National War Finance Committee and of the undersigned such losses are a necessary and unavoidable bookkeeping expense of the sale and issue of War Savings Certificates through over-the-counter selling agents.

5. That in addition to the losses from Post Offices by fire or robbery now provided for under Order in Council P.C. 11/7359 dated August 19, 1942, there have been occasional losses from Post Offices by fire or robbery of War Savings Stamps or cash resulting from the sale over-the-counter at Post Offices of War Savings Certificates and of War Savings Stamps or cash received at Post Offices from the public to be forwarded to the Registrar, War Savings Certificates, for Certificates to be issued direct from his office, and in such cases, the National War Finance Committee has been obligated, by reason of the terms of its agreement with the Post Office Department, either to authorize credit to the said Department's Stamp Account in the case of destruction of Stamps, or to make payment on the said Department's behalf to the Bank of Canada as fiscal agent, in cases of destruction of cash and robbery of cash and/or stamps.

The undersigned accordingly under and by virtue of the War Measures Act has the honour to recommend:

1. That Clause 2 of Order in Council P.C. 11/7359 dated August 19, 1942, be repealed and that the following be substituted therefor:

"2. That in any case where a person claims that a remittance by cash or War Savings Stamps was forwarded to the Registrar, War Savings Certificates, Ottawa, the National War Finance Committee, the Bank of Canada or the Receiver General of Canada, or, where any agent authorized by the Bank of Canada to sell War Savings Certificates over-the-counter claims that a regular remittance containing cancelled War Savings Stamps was forwarded to the Registrar, War Savings Certificates, Ottawa, and the National War Finance Committee after investigation is satisfied that the claim is a *bona fide* one, the National War Finance Committee and the Postmaster General may authorize the Comptroller of the Treasury to pay the Bank of Canada for credit to the Receiver General of Canada out of the sum allotted by Clause I hereof the amount of cash or the face value of the Stamps which are claimed to have been included in such remittance, even though the actual remittance was not received by the addressee, and the

Registrar may thereupon credit the claimant with such amount, and, where the claimant is an applicant for a War Savings Certificate, the Registrar may issue to him a War Savings Certificate.'

2. That Clause 4 of Order in Council P.C. 11/7359 dated August 19, 1942, be amended by inserting after the word 'thereof' the words 'or of cancelled War Savings Stamps or cash representing the proceeds of War Savings Certificates sold over-the-counter by a Post Office, or War Savings Stamps or cash received by a Post Office from the public to be forwarded to the Registrar, War Savings Certificates, for certificates to be issued from his office'.

3. That the foregoing amendments be deemed to have come into force on the first day of March, 1944, and that the claim in connection with the loss in the mail of a regular monthly remittance from the Royal Bank of Canada, Sargent and Sherbrook Streets, Winnipeg, mailed on the 2nd day of March, 1944, and addressed to the Registrar, War Savings Certificates, Ottawa, of the cancelled War Savings Stamps totalling \$640.00 face value be payable under Clause 2 of the said Order in Council as amended."

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

A. D. P. HEENEY,  
Clerk of the Privy Council.

### Order in Council amending P.C. 29/2544, 11th April, 1941, re Canadian Claims Commission (Overseas)

P.C. 76/8202

*Certified to be a true copy of a Minute of a Meeting of the Treasury Board, approved by His Excellency the Governor General in Council, on the 25th October, 1944.*

The Board had under consideration the following memorandum from the Honourable the Acting Minister of National Defence concurred in by the Honourable the Minister of National Defence for Air, the Honourable the Minister of National Defence for Naval Services and the Honourable the Minister of Justice:—

"The undersigned has the honour to state that the Adjutant-General reports:

- (a) that actions are frequently instituted and judgments obtained in the Courts of the United Kingdom against members of the armed forces of Canada and civilian employees of the Department of National Defence arising out of death or injury to the person or to property resulting from negligence of such personnel while acting within the scope of their duties or employment;
- (b) that it is deemed advisable that such judgments should be paid by the Crown in full;
- (c) that it is further deemed expedient that the Crown should defend such actions and, when considered advisable, should tender such amount in satisfaction thereof as shall be determined, and that such action should be dealt with by the Canadian Claims Commission (Overseas) established by Order-in-Council dated 11th April, 1941, P.C. 29/2544, as amended.

2. The Deputy Minister of National Defence (Army) therefore recommends that an appropriate order be made in connection with the foregoing.

3. ### Prices Subject to Review

12. The prices and markups of all persons selling veal at retail shall be subject to examination by any authorized representative of the Board, who may apply and require any person to submit to any veal cutting or other tests authorized by the Board.

## PART IV—MAXIMUM RETAIL PRICES

### Introduction

13. This Part fixes maximum prices at which retailers may sell authorized retail cuts of veal. It does not apply to sales at retail of kosher veal. Retailers' selling prices in zones are established on a weekly basis and, except in the case of retail cuts numbered 15 to 19, inclusive, in Schedule "C", are based upon the weighted average carcass cost of purchases during the preceding week. Retailers selling prices of cuts numbered 15 to 19, inclusive, are based, respectively, on the average cost of purchases of each of those cuts during the preceding week.

### Meaning of Certain Words and Phrases

14. For the purposes of this Order,

(a) "weighed average carcass cost" means the average of the carcass cost, exclusive of transportation charges, paid for carcasses, sides and quarters of veal in any week by a retailer as determined under the Rules of Section 16;

(b) "Veal Price Card" is an extract from Schedule "C" showing the names of the

authorized retail cuts; it has printed thereon the maximum retail prices in the retailer's zone of retail cuts numbered 15 to 19, inclusive, which apply in any week when his average cost of purchases in the previous week of each of those cuts equals the maximum wholesale price thereof in his zone and it also has printed thereon opposite the names of the other authorized retail cuts the maximum retail prices thereof which apply in any week when the retailer's weighted average carcass cost of purchases of carcasses, sides and quarters in the previous week is equal to the maximum wholesale carcass price in his zone;

(c) "week" means calendar week.

### **Displaying Veal Price Card**

15. (1) Every person selling veal at retail in a zone shall obtain the Veal Price Card provided by the Board and shall display and keep it displayed in his place of business where it is available to be seen and examined by his customers.

(2) The Veal Price Card furnished by the Board to a retailer is and shall remain the property of His Majesty in the right of Canada and every retailer is accountable to the Board to use the same only as provided by and in accordance with this Order.

(3) A retailer in a zone must not at any time sell any kind of veal at retail, except kosher veal, unless he has the Veal Price Card on display in his place of business, as provided in subsection (1) preceding.

### **Rules for Determining Maximum Retail Prices in Zones**

16. The maximum price at which any person may sell at retail during any week in any zone any authorized retail cut of veal shall be the price for the same fixed by the following rules and Schedule "C". In any event maximum retail prices shall not exceed the maximum prices listed in Schedule "C" for the retailer's zone.

#### **Rule 1**

Except as provided in Rules 4 and 5 of this Section, which deal with the maximum retail prices of retail cuts numbered 15 to 19, inclusive, the maximum retail price for each authorized retail cut of veal, is fixed for each week upon the basis of the weighted average carcass cost of purchases at wholesale in the preceding week of carcasses, sides and quarters thereof. To ascertain the maximum retail prices of those retail cuts so fixed the retailer must

- 1st—list his purchases in the preceding week of carcasses, sides and quarters of veal, and the quantity by weight in pounds of each purchase.
- 2nd—take the actual cost per pound of the carcasses and sides and from Schedule "D" obtain the carcass cost per pound of the quarters. The carcass cost of a quarter shall be the corresponding or equivalent price shown at the extreme right of the horizontal column in which the price paid for that quarter appears in Schedule "D".
- 3rd—add together the amounts so arrived at to obtain the total quantity bought and the total carcass cost. Then divide the total weight into the total carcass cost (exclusive of transportation charges) and thereby obtain the weighted average carcass cost.
- 4th—if the weighted average carcass cost is equal to the maximum wholesale price per pound of a carcass as set forth in Schedule "A" for that zone or is lower than such maximum wholesale carcass price by less than 1 cent, the prices for those retail cuts shown for that zone in Schedule "C" are the retailer's maximum prices and shall govern him in selling those retail cuts during that week.

#### **Rule 2**

If a retailer's weighted average carcass cost is below the maximum wholesale carcass price per pound by 1 cent or more, his maximum retail prices of the retail cuts to which Rule 1 applies shall be determined by reducing the prices of those cuts shown in the Schedule "C" by the amount set forth in the following table:—

Whenever weighted average carcass cost is below maximum wholesale carcass price per pound by	The reduction in maximum retail prices per pound is
more than 1 cent and less than 2 cents.....	1 cent
2 cents and over but less than 3 cents.....	2 cents
3 cents and over but less than 4 cents.....	3 cents
4 cents and over but less than 5 cents.....	4 cents
5 cents and over but less than 6 cents.....	5 cents
6 cents and over but less than 7 cents.....	6 cents
7 cents and over but less than 8 cents.....	7 cents
8 cents and over but less than 9 cents.....	8 cents

### Rule 3

If in any week a retailer did not buy at wholesale any carcass, side or quarter but does in the following week buy some for sale in that week, his maximum retail prices for that week for the retail cuts to which Rules 1 and 2 apply shall be based on the weighted average carcass cost of the quantity of the first day's purchases of carcasses, sides and quarters of veal in that week and otherwise these Rules shall apply in the determination of his maximum retail prices of those retail cuts.

### Rule 4

The maximum retail price per pound of any of the boneless cuts numbered 15 to 19, inclusive, is fixed for each week upon the basis of the average cost per pound of the retailer's purchases of that boneless cut during the preceding week. To ascertain such average cost the retailer must divide the quantity by weight of his total purchases during the preceding week into the total cost (exclusive of transportation charges) of such purchases. If such average cost per pound is equal to the maximum wholesale price per pound of that boneless cut in the retailer's zone as set forth in Schedule "B" or is lower than such maximum wholesale price by less than 1 cent, the price for such cut shown for that zone in Schedule "C" is the retailer's maximum price and shall govern him in selling that boneless cut during that week. If such average cost per pound is below such maximum wholesale price per pound by more than 1 cent, the maximum retail price shall be reduced by the same amount that the retailer is required under Rule 2 to reduce his retail prices of the cuts to which that Rule applies when his weighted average carcass cost is a corresponding amount below the maximum wholesale carcass price.

### Rule 5

If in any week a retailer did not buy at wholesale one of the boneless cuts but does in the following week buy some for sale in that week, his maximum retail price of that boneless cut for that week shall be based upon the average cost of the quantity of the first day's purchases of that boneless cut in that week and otherwise these Rules shall apply in the determination of his maximum retail prices of that cut.

### Rule 6

If a retailer acquires in any week any veal from calves slaughtered by or for him, the quantity and the actual cost of the same must be regarded as a purchase in that week for the purposes of these Rules.

### Sales by Persons not in Zones

17. Every person selling veal at retail in any part of Canada not in a zone shall regulate his selling prices for the various cuts or portions so that the aggregate price received or charged by him for all cuts and portions from any carcass, side, quarter, or boneless cut of veal purchased or otherwise acquired by him shall not exceed the total of:

- (a) his actual delivered cost of that carcass, side, quarter, or boneless cut but not exceeding the lawful maximum price at which it may be sold to him at wholesale including transportation to his place of business (except the difference between freight and express charges, if any, included in such cost); and
- (b) a markup not exceeding 25 per cent of his selling price.

## PART V—SALES OF KOSHER VEAL

**Meaning of Kosher Veal**

18. For the purposes of this Order, "kosher veal" means fresh veal obtained from long or short cut fore quarters of calves slaughtered, approved and stamped as Kosher under rabbinical authority or supervision and "rabbinical authority or supervision" means the authority or supervision of a rabbi duly ordained and so recognized by any Jewish synagogue.

**Maximum Wholesale Prices**

19. The maximum price at which any person may sell at wholesale any long cut fore quarter or any short cut fore quarter of kosher veal to any person in a zone shall be the price for that fore quarter set forth in Schedule "A" for the zone in which the buyer's place of business is situated, plus koshering charges not exceeding those established by him in the same slaughtering place during the basic period from September 15 to October 11, 1941 or, if not so established, then such as may be fixed by or on behalf of the Board.

**Maximum Retail Prices**

20. Every person selling kosher veal at retail in a zone shall regulate his selling prices for the various cuts or portions so that the aggregate price received or charged by him for all cuts and portions from any fore quarter of kosher veal purchased or otherwise acquired by him shall not exceed the total of

- (a) his actual delivered cost of that fore quarter of kosher veal but not exceeding the lawful maximum price at which it may be sold to him at wholesale under this Order, including transportation to his place of business (except the difference between freight and express charges, if any, included in such cost); and
- (b) a markup not exceeding 25 per cent of his selling price.

## PART VI—SALES OF PROCESSING VEAL BETWEEN PROCESSORS

- (b) "processing veal" means all the meat in one piece obtained by removing all bones, bloodclots and gristle from a fore quarter and/or a hind quarter and/or a side of veal.

**Maximum Prices**

22. The maximum price at which a processor may sell any processing veal to another processor shall be the price for such veal set forth in Schedule "E" hereto for the zone in which the buyer's processing plant is situated, and such price shall be the delivered price at such plant or, if delivery is by railway, at the railway station nearest to such plant.

## SPECIAL NOTICE

The Government of Canada is trying to prevent excessive increases in costs and prices so that there will not be a disastrous price rise that will weaken the war effort, create chaos in many industries and cause general misery.

THIS ORDER FIXES MAXIMUM WHOLESALE AND RETAIL PRICES OF VEAL AND IS PART OF THIS PRICE CONTROL PROGRAMME.

In fixing these maximum prices consideration has been given to the needs of high cost operators. Anyone who is able to sell below these prices because of large volume or low operating costs should do so. In this way he will be sharing in the fight against disastrous inflation and will be complying with both the spirit and the letter of this regulation.

Orders in Council

**Order in Council re control exercised over the business of Montreal  
Tramways Company**

P.C. 8211

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 24th day of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Munitions and Supply and the Minister of Labour report that representations have been received by them respecting the interpretation of Order in Council P.C. 6416 dated 11th August, 1944, appointing Controllers to manage, operate and carry on the transportation business of the Montreal Tramways Company and proposing clarification of the Order to determine more precisely the authority of the board of directors and shareholders to deal with matters not directly connected with the transportation business and that the Controllers are not required to take responsibility for decisions relating to such matters.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Munitions and Supply and the Minister of Labour and under and by virtue of the powers conferred by the War Measures Act, being Chapter 206, Revised Statutes of Canada, 1927, is pleased to amend Order in Council P.C. 6416 dated 11th August, 1944, and it is hereby amended as follows:—

1. Article 2 is revoked and the following is substituted therefor,—

“2. The said Controllers shall have the custody and control of such property and assets of the Company as they in their uncontrolled discretion and judgment may deem necessary in order to manage, operate and carry on the transportation services of the Montreal Tramways Company, and they shall for such purposes have and exercise the powers, authority and rights of the board of directors of the Company.”

2. Article 5 is revoked and the following is substituted therefor,—

“5. The authority of the board of directors and the shareholders in respect of the management, operation and carrying on of the transportation services of the Company is, subject to article 9 of this Order in Council, suspended until the powers, authority and rights of the Controllers in respect of such management, control and operation shall be revoked.”

A. D. P. HEENEY,

*Clerk of the Privy Council.*

**Order in Council amending the National Selective Service Civilian  
Regulations**

P.C. 8212

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 24th of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

His Excellency the Governor General in Council, on the recommendation of the Minister of Labour, and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, and the National Resources Mobilization Act, 1940,

## Order in Council amending the Pacific Herring Production Regulations

P.C. 8288

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 27th day of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas for the purpose of safeguarding the supply of canned herring and edible herring meal and oil manufactured from herring, the products of which are required to be maintained at high levels by reason of the state of war, the Pacific Herring Production Regulations were made and established by Order in Council P.C. 6839 of August 30, 1943.

And whereas the Minister of Fisheries reports that at certain periods during the fishing season herring contain redfeed and at such times are unfit for canning, that this condition generally exists for short duration after which the fish may again be canned and, in order that there may be available the greatest possible quantities of herring for human consumption in the canned form, that it is desirable, in the areas in British Columbia known as the lower east coast sub-district and the Quathiaski sub-district, that fishing operations be prohibited when the herring are full of feed.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Fisheries, and under and by virtue of the powers conferred by the War Measures Act, is pleased to amend the said Pacific Herring Production Regulations, and they are hereby amended by adding thereto the following paragraph:

9. (a) The Minister may, when he ascertains that herring in the lower east coast, or the Quathiaski sub-district, are "full of feed" and so unfit for canning, by order, prohibit herring fishing operations in the said sub-districts, or in any area of the said sub-districts, until this condition disappears, or until such time as he may determine that herring caught in these sub-districts are so free of "feed" as to be in proper condition for canning.

A. D. P. HEENEY,

*Clerk of the Privy Council.*

FRIDAY, the 27th day of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas under the provisions of Order in Council P.C. 3455 of May 9th, 1944, providing for the establishment of the New Brunswick Wartime Labour Relations Board to administer the provisions of the Wartime Labour Relations Regulations in

the Province of New Brunswick, the Chairman of the said Board, therein designated, is the Minister of Health and Labour for the Province of New Brunswick;

## Order in Council providing that payments to discharged persons under paragraphs 6, 8 and 9 of the Post-Discharge Re-Establishment Order shall not be liable to taxation

P.C. 128/8367

*Certified to be a true copy of a Minute of a Meeting of the Treasury Board, approved by His Excellency the Governor General in Council, on the 31st October, 1944.*

The Board had under consideration a memorandum from the Honourable the Minister of Veterans' Affairs, concurred in by the Honourable the Minister of National Revenue, reporting:

"That under and by virtue of Order in Council P.C. 5210 of the 13th July, 1944, known as The Post-Discharge Re-establishment Order, the Minister of Pensions and National Health is authorized to make payment of a grant, under conditions therein set forth, to a discharged person who is pursuing vocational or technical training or other educational training which has been approved by the Department of Pensions and National Health as training which will fit him or keep him fit for employment or re-employment, or will enable him to obtain better or more suitable employment;

And that the amounts of such grants have been determined on the basis that there should be no deduction therefrom by reason of taxation under the Income War Tax Act.

Now, therefore, the undersigned, with the concurrence of the Minister of National Revenue, has the honour to recommend that Your Excellency in Council, under the War Measures Act, be pleased to order that moneys granted to a discharged person under the provisions of paragraphs 6, 8 and 9 of Order in Council P.C. 5210 of the 13th July, 1944, known as The Post-Discharge Re-establishment Order, shall not be liable to taxation under the Income War Tax Act."

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

### Orders in Council

#### Order in council re maintenance of discipline among members of the Armed Forces of Canada undergoing treatment in hospitals of the Department of Veterans Affairs

P.C. 8306

AT THE GOVERNMENT HOUSE AT OTTAWA

MONDAY, the 30th day of October, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Associate Minister of National Defence reports as follows,—

- (a) The regulations made by Order in Council dated 5th October, 1939, P.C. 3004, provide that should, in the opinion of the medical officers of the Department of National Defence, a member of the forces on active service requires hospital treatment or institutional care, such member shall, in the discretion of the said medical officers, be referred to the Department of Pensions and National Health for the said treatment or care, and that if, while receiving such treatment or care, he commits an offence under the law pertaining to the force to which he belongs, he shall forthwith be reported to such appropriate authority as may from time to time be designated by the Department of National Defence;
- (b) By Order in Council dated 5th December, 1939, P.C. 3988, regulations are made to provide a procedure for dealing with offences under the law relating to the naval, military or air forces of Canada committed by members thereof while receiving hospital treatment or institutional care under the control and management of the Department of Pensions and National Health and authorizing the Minister of National Defence to appoint any officer of the naval, military or air forces of Canada for the purpose of exercising disciplinary functions of command with respect to such members;
- (c) The Judge Advocate-General has expressed the opinion that the regulations made and established by Order in Council P.C. 3988 only permit a member of the services who commits an offence to be disciplined by an officer of the same service as such member, appointed by the Minister as therein provided;
- (d) It is considered desirable that an officer appointed by the Minister pursuant to the regulations made and established by said Order in Council P.C. 3988 should be empowered to discipline members of the services other than that to which such officer belongs who commit offences while receiving hospital treatment or institutional care under the control or management of the Department of Veterans Affairs, and that the said regulations should be amended accordingly; and
- (e) It is also considered desirable at this time to consolidate the regulations made by the said Orders in Council P.C. 3004 and P.C. 3988, incorporating therein the amendment proposed in paragraph (d) above.

Therefore, His Excellency the Governor General in Council, is pleased to revoke and doth hereby revoke the regulations made by Orders in Council P.C. 3004 of October 5, 1939 and P.C. 3988 of December 5, 1939.

His Excellency in Council, on the recommendation of the Associate Minister of National Defence, concurred in by the Minister of National Defence for Air, the Minister of National Defence for Naval Services, and the Minister of Veterans Affairs, and pursuant to the provisions of the War Measures Act, is further pleased to make the following regulations and they are hereby made and established accordingly:—

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 136 of January 21, 1944, the Minister of Munitions and Supply was authorized to negotiate and make final settlements, upon such basis and terms as the said Minister might deem proper, of claims based upon or arising out of the termination or partial termination, prior to completion, of contracts entered into or placed by the said Minister in the name of His Majesty, provided that the amount payable upon the settlement of any such contract (exclusive of any amount paid in respect of "post-termination expenses" as authorized by Order in Council P.C. 9018 of November 23, 1943), together with all amounts paid under such contract prior to the termination, shall not exceed the total amount paid or payable pursuant to such contract if the same had not been terminated;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Munitions and Supply, and under the authority of the War Measures Act, is pleased to authorize and doth hereby authorize the Minister of Munitions and Supply, in cases where he may deem it advisable, to make settle-

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council P.C. 136 of January 21, 1944, the Minister of Munitions and Supply was authorized to negotiate and make final settlements, upon such basis and terms as the said Minister might deem proper, of claims based upon or arising out of the termination or partial termination, prior to completion, of contracts entered into or placed by the said Minister in the name of His Majesty, provided that the amount payable upon the settlement of any such contract (exclusive of any amount paid in respect of "post-termination expenses" as authorized by Order in Council P.C. 9018 of November 23, 1943), together with all amounts paid under such contract prior to the termination, shall not exceed the total amount paid or payable pursuant to such contract if the same had not been terminated;

And whereas it has been the general policy of the Department of Munitions and Supply with respect to the settlement of claims under or arising out of any such contract which is terminated before completion, to deal only with the firm, person or corporation with whom or with which such contract was placed by the Department (hereinafter referred to as the "prime contractor") and to place upon the prime contractor the responsibility of dealing with and making the payments required to be made to the subcontractors under subcontracts placed by such prime contractor or his subcontractors;

And whereas the Acting Minister of Munitions and Supply represents that notwithstanding such general policy, it is advisable in the public interest that a more expeditious method of settling claims arising out of such terminations should be authorized;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Munitions and Supply and under the authority of the War Measures Act, is pleased to authorize and doth hereby authorize the Minister of Munitions and Supply, in cases where he may deem it advisable, to make settlements with subcontractors, upon such basis and terms as he may deem proper, with respect to any subcontract or group of subcontracts which shall have been terminated by a prime contractor or prime contractors by reason of the termination by the said Minister of a munitions contract or contracts entered into with such prime contractor or contractors, and to enter into and carry out such contracts or agreements as the said Minister considers to be necessary or appropriate to evidence or to give effect to any settlement so made.

His Excellency in Council, on the same recommendation, is further pleased to order and doth hereby order and direct that in the cases where the Minister of Munitions and Supply proposes to make any such settlement with a subcontractor, the Minister shall notify both the subcontractor and the subcontractor's prime contractor of such proposed action and in the event of such notice being given:

- (a) the prime contractor shall not include in his claim for payment or reimbursement under or in respect of the terminated contract any amount which but for the provisions of subparagraph (b) of this paragraph would have been payable by the prime contractor to the subcontractor with respect to such subcontract, or if such amount has been included, the prime contractor shall immediately file with the Minister a revised claim from which such amount has been eliminated and, if the prime contractor has received payment of such amount or any part thereof, the amount so paid shall forthwith be repaid by the prime contractor to the Minister;
- (b) the Minister, on behalf of the Government or Governments concerned, shall assume the obligation of settling the claim of the subcontractor under such subcontract and no action, claim or proceeding for recovery of the amount alleged to be owing to the subcontractor in respect thereof shall be made or instituted against the prime contractor.

## Order in Council exempting Synthetic Resins from war exchange tax

P.C. 8401

AT THE GOVERNMENT HOUSE AT OTTAWA

WEDNESDAY, the 1st day of November, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports that there are a number of firms in Canada engaged in the manufacture of Synthetic resins;

That almost all synthetic resins when imported from any country, in liquid, powder, granular or lump form, are exempt from customs duty, but many of the chief materials used in the manufacture of such resins are dutiable, mainly at the Canada-United States Trade Agreement rate of 20 per cent ad valorem;

That in addition to the customs duty imported materials of non-British Empire origin are subject to the war exchange tax of 10 per cent ad valorem; and

That it would be in the best interests of Canadian industry if materials when imported by manufacturers of synthetic resins for use exclusively in the manufacture of such resins, in their own factories, be exempt from the 10 per cent war exchange tax, effective November 1, 1944;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to order and it is hereby ordered that materials imported by manufacturers of Synthetic resins, for use exclusively in the manufacture of synthetic resins, in their own factories, be exempt from the war exchange tax of 10 per cent ad valorem, effective November 1, 1944.

## Order in Council *re* remuneration to Judges appointed to act as Commissioners of Inquiry, Arbitrators, etc.

P.C. 50/8550

*Certified to be a true copy of a minute of a Meeting of the Treasury Board, approved by His Excellency the Governor General in Council on the 8th November, 1944.*

The Board had under consideration a memorandum from the Honourable the Minister of Justice reporting:

"1. That various difficult administrative problems arise in the course of the prosecution of the war which make it necessary from time to time to cause public inquiries to be made and arbitrations to be held.

2. That Judges of Superior, County and District Courts are by virtue of their judicial experience eminently qualified to act as commissioners or arbitrators in connection with such inquiries or arbitrations, but, by reason of provisions contained in the Judges Act relating to the payment of remuneration and expenses to Judges, may not be able so to act except at possible financial loss to themselves.

3. That it is deemed necessary or advisable, by reason of the war, for the security, defence, peace, order and welfare of Canada to suspend such restrictions in so far as the same may apply to wartime investigations.

The undersigned, therefore, has the honour to recommend that Your Excellency in Council, under and by virtue of the War Measures Act, chapter 206 of the Revised Statutes of Canada, 1927, be pleased to make the following order:—

### ORDER

1. Any Superior, District or County Court Judge, on being duly authorized or appointed by the Governor in Council, may, notwithstanding anything in the Judges Act or in any act under which such nomination or appointment is made, act as commissioner or arbitrator on any commission of inquiry or arbitration relating to or arising out of the prosecution of the present war, and in respect of the execution of his duties as such commissioner or arbitrator may be paid, in addition to his judicial salary, such remuneration, moving or transportation expenses and living allowance as may be fixed by the Treasury Board.

2. This order shall be effective as of the fifteenth day of October, 1944."

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

## WARTIME PRICES AND TRADE BOARD

ORDER No. 450

### Retail Markup—Table

Under powers given to the Board by The Wartime Prices and Trade Regulations being Order in Council P.C. 8528 dated November 1, 1941, and amendments.

THE BOARD HEREBY ORDERS AS FOLLOWS:

### Effective Date and Application of Order

1. This Order comes into force on November 16, 1944. It establishes the rules for calculating markups on sales at retail of any goods when the product order provides that the retail markup is to be calculated according to the provisions of this Order.

### Definitions

2. For the purposes of this Order

- (a) "basic period" means the period from September 15, 1941, to October 11, 1941, both inclusive; or, in the case of particular goods, if the product Order provides that any other period shall be deemed to be the basic period for the purposes of that Order, "basic period" shall mean that period;
- (b) "lawful cost" means, in respect of any product, the sum of the amounts upon which, under the provisions of the product Order, a retailer may calculate his markup on sales of that product at retail;
- (c) "product Order" means an Order made, approved or concurred in by or on behalf of the Board or a price fixation issued under the provisions of Board Order No. 414 or any Order replacing that Order, which fixes the maximum price at which a retailer may sell a product at retail;
- (d) "markup symbol" means any of the letters heading a vertical column in Schedule "A" hereto.

### To find the markup corresponding to a basic period percentage markup

3. Whenever a product order refers to a markup as being the markup which, under the provisions of this Order, corresponds to a particular basic period percentage markup, the amount of such corresponding markup shall be determined as follows:

*First Step*—in accordance with the provisions of the product Order, find the lawful cost of the goods in terms of the quantity that is to be priced for sale; such lawful cost must be calculated in cents to one decimal point.

*Second Step*—from the Key for Converting Basic Period Percentage Markups (Schedule "B" hereto) find the markup symbol corresponding to the particular basic period percentage markup

*Third Step*—from the Markup Table (Schedule "A" hereto) find the amount of the corresponding markup. It is the amount shown in the Markup Table under the markup symbol as determined by the Second Step and opposite the cost range which includes the lawful cost as determined by the First Step.

#### **To find the markup corresponding to a markup symbol**

4. Whenever a product Order refers to a markup as being the markup under a particular markup symbol in the Markup Table calculated according to the provisions of this Order, the amount of such markup shall be determined as follows:

*First Step*—in accordance with the provisions of the product Order, find the lawful cost of the goods in terms of the quantity that is to be priced for sale; such lawful cost must be calculated in cents to one decimal point.

*Second Step*—from the Markup Table find the amount of the markup. It is the amount shown in the Markup Table under that markup symbol and opposite the cost range which includes the lawful cost as determined by the First Step.

#### **Calculation of Markup when Lawful Cost Exceeds One Dollar**

5. If in any case in which Sections 3 or 4 apply, the lawful cost exceeds \$1.00 the markup shall be found by multiplying the amount shown in the bottom line of the Markup Table under the applicable markup symbol by the number of whole dollars in the lawful cost and by adding to the amount thereby obtained the amount shown in the Markup Table under the same markup symbol and opposite the cost range for the number of cents left over in the lawful cost.

#### **Price Marking of Articles Displayed or Offered for Sale**

6. Every article of goods to which this Order applies must during the whole of the time it is displayed or offered for sale by a retailer,

- (i) have the selling price legibly marked thereon or on a price tag, card or label displayed therewith or attached thereto; or
- (ii) if the goods are displayed in bulk, have the selling price legibly marked on the container in which they are displayed or on a price card displayed therewith or attached to the container.

Made at Ottawa this 18th day of October, 1944.

ADMINISTRATOR'S ORDER No. A-1443

**Vacant Housing Accommodation in the City of Winnipeg, in the  
Province of Manitoba**

Whereas in the City of Winnipeg there is, due to existing wartime conditions, insufficient housing accommodation available by ordinary means for the shelter of all who are in need of such accommodation and it is desirable and in the public interest that the best possible use be made of all available housing accommodation now vacant or which may hereafter become vacant;

And whereas the Municipal Council of the City of Winnipeg at its meeting held on October 10, 1944, adopted the following resolution:

"In order to alleviate to some extent the acute housing shortage which exists in the City of Hamilton at the present time, the Rentals Administrator, under the powers granted to him by the Wartime Prices and Trade Board, has recently made an Order applicable to that City compelling owners of houses which have been vacant and unoccupied for a period of three calendar months or longer, to rent such houses on demand by the Rentals Administrator at a rent to be fixed by him.

A similar condition exists in this City, in that a number of houses, mostly of large size, are being held vacant for sale, while a critical housing shortage exists, and your Committee recommends, in view of this situation, that the Rentals Administrator be requested to make an Order applicable to Winnipeg to compel the owners of vacant houses to rent them to families otherwise unable to find suitable living quarters."

Now therefore under powers given by the Wartime Prices and Trade Board to the Rentals Administrator, it is hereby ordered on behalf of the Board as follows:

1. All expressions and terms used in this Order shall have the same meaning respectively, unless the context otherwise requires, as those contained in Order No. 294 of the Board.

2. Every landlord or owner of housing accommodation situate in the City of Winnipeg, in the Province of Manitoba, which on the 15th day of November, 1944, has been vacant and unoccupied for a period of three calendar months or longer or which, after such date, shall have remained vacant and unoccupied for a period of three calendar months, shall forthwith file with the Board of Control of the City of Winnipeg, on a form provided by the Board, particulars of such vacant accommodation and shall give such further information as is required by the form.

3. Every landlord or owner of housing accommodation referred to in Section 2 shall, forthwith on demand made by the Rentals Administrator, let the accommodation to the person described and named in the demand or to any other person as a monthly tenant or for such longer term as may be agreed upon between the landlord and such person, upon payment in advance of the first month's rent at a rate not in excess of the fixed maximum rental for the accommodation or if the maximum rental has not been fixed for the accommodation, upon payment in advance of the first month's rent at a rate not in excess of the maximum rental to be fixed for the accommodation under the provisions of Order No. 294 of the Board.

4. This Order shall come into force on the 15th day of November, 1944.

Dated at Ottawa this 2nd day of November, 1944.

Part I  
Orders in Council

**Order in Council reducing the rate of customs duty on fresh  
tomatoes of Mexican origin**

P.C. 8503

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 7th day of November, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas imports of tomatoes, fresh, in their natural state, are dutiable at rates of Free under the British Preferential Tariff,  $27\frac{1}{2}$  per cent ad valorem but not less than 2 cents per pound under the Intermediate Tariff and 30 per cent ad valorem but not less than 3 cents per pound under the General Tariff, the weight of the package to be included in the weight for duty;

And whereas since January 1, 1939 imports of United States tomatoes, fresh, in their natural state, have been entitled to the Canada-United States Trade Agreement rate of 10 per cent ad valorem but not less than  $1\frac{1}{2}$  cents per pound;

And whereas Order in Council P.C. 9235 of December 2, 1943 reduced the General Tariff rate on fresh tomatoes from 30 per cent ad valorem but not less than 3 cents per pound to 10 p.c. but not less than  $1\frac{1}{2}$  cents per pound during the period December 6, 1943 to April 30, 1944 and that a further Order in Council, P.C. 3251, of May 2, 1944, extended this reduced rate until May 15, 1944;

And whereas the Minister of Finance reports that Canada imports between 50 and 55 million pounds of fresh tomatoes annually but it is probable that the imports this year will exceed 60 million pounds;

That between 40 and 50 per cent of Canada's imports of fresh tomatoes are of Mexican origin and subject to a rate of customs duty of 30 per cent ad valorem but not less than 3 cents per pound; and

That if the rate of customs duty payable on fresh Mexican tomatoes were reduced from 30 per cent ad valorem but not less than 3 cents per pound to 10 per cent ad valorem but not less than  $1\frac{1}{2}$  cents per pound during the period December 1, 1944 to May 15, 1945 the cost to the Canadian consumer of this important fresh vegetable would be considerably reduced.

**Order in Council providing for depreciation at double the rates normally allowed in respect of plant or equipment built or acquired in the period set out.**

P.C. 8640

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 10th day of November, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas under the Income War Tax Act, the Minister of National Revenue in his discretion may allow depreciation at not more than double the rates normally allowed in respect of plant or equipment built or acquired in a period to be fixed by the Governor in Council if the taxpayer is, in the opinion of the Minister, making a new investment by building or acquiring the plant or equipment;

And whereas it is deemed expedient and advisable to fix the period for the purposes of subparagraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act to commence on November tenth, 1944, in order to enable such industries as can, because their activities are essential, secure necessary materials and labour at the present time to proceed immediately with such expansion as has both a war and post-war purpose and thus to qualify for depreciation allowances under the aforesaid subparagraph (ii) without awaiting the cessation of hostilities in Europe;

And whereas it is also deemed expedient and advisable for industries other than those mentioned in the next preceding paragraph that are planning post-war expansion, conversion or modernization to prepare their plans without delay so as to be ready to commence work on their plant and equipment as soon as materials and labour are available, and it is desirable that they should be enabled to commence such work as soon as is compatible with the efficient prosecution of the war and the effecting of an orderly transition from a wartime to a peacetime economy;

And whereas by reason of the war, it is therefore deemed necessary for the security, defence, peace, order and welfare of Canada that the order hereinafter set forth be made;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, the Minister of Munitions and Supply and the Minister of Reconstruction and the Minister of National Revenue and under and by virtue of subparagraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act and the War Measures Act, is pleased to make and doth hereby make the following order:

**ORDER**

1. (1) The period commencing on November tenth, nineteen hundred and forty-four and ending on the last day of the year nineteen hundred and forty-six or on the day two years from the day on which organized hostilities between Canada and Germany cease wholly or substantially, whichever is the earlier, is hereby fixed as the period mentioned in subparagraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act.

(2) Organized hostilities between Canada and Germany shall be deemed for the purposes of this order to have ceased wholly or substantially on such day as the Governor in Council may fix for the purposes of this order as the end of the said hostilities.

2. (1) In computing the amount of the profits or gains to be assessed under the Income War Tax Act or The Excess Profits Tax Act, 1940, depreciation may be deducted at the option of the taxpayer in an amount computed at not more than double and not less than one-half the rates normally allowed if the amount is allowed by the Minister pursuant to subparagraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act.

(2) No depreciation shall be allowed under the said subparagraph (ii), notwithstanding anything contained therein, after the aggregate of the allowances made thereunder equals eighty per centum of the cost of the plant or equipment.

(3) No depreciation shall be allowed pursuant to the said subparagraph (ii) in respect of any plant or equipment unless the Minister of Reconstruction has certified that, having regard to war or reconstruction needs, it is desirable in his opinion that depreciation be allowed in respect thereof under the said subparagraph.

3. In this order and in subparagraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act "plant or equipment" means such property as the Minister of National Revenue may, by regulation, prescribe but, notwithstanding any such regulation, does not include

- (g) automobiles, trucks and buses,
- (h) rolling stock of a railway,
- (i) a building that has been used by a person other than the taxpayer or a building that was built and in existence prior to November tenth, nineteen hundred and forty-four unless
  - (A) the Minister of National Revenue is satisfied that the building has, since acquisition by the taxpayer, been used by him for a business substantially different from that carried on therein prior to acquisition by him, or
  - (B) the building was purchased by the taxpayer from War Assets Corporation,
- (j) property built or acquired by a company entitled to exemption in the taxation year under section eighty-nine of the Income War Tax Act or paragraph (g) of section seven of The Excess Profits Tax Act, 1940.
- (k) property in respect of which special depreciation has been allowed under subparagraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act or in respect of which provision has been made for special depreciation or allowances in lieu of depreciation under special authority.

4. Where plant or equipment is partly built in the period fixed by section one of this order, such part thereof as is built during the period shall be deemed to be plant or equipment built during the period for the purposes of subparagraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act.

5. Notwithstanding this order or any provision in the Income War Tax Act, the decision of the Minister of National Revenue as to whether depreciation is allowable under subparagraph (ii) of paragraph (n) of subsection one of section six of the Income War Tax Act and as to the amount thereof if any is final and conclusive.

### Orders in Council

#### Order in Council *re* payments of transportation expenses of hogs from Maritime Provinces to Quebec and Ontario Provinces for slaughter.

P.C. 2/8848

*Certified to be a true copy of a Minute of a Meeting of the Treasury Board, approved by His Excellency the Governor General in Council the 22nd day of November, 1944.*

The Board had under consideration a memorandum from the Honourable the Minister of Agriculture reporting that:—

“Whereas under P.C. 4/168, January 12th, 1944, and P.C. 12/1385, March 3rd, 1944, the Meat Board was authorized to equalize returns to hog producers in Western Canada on the shipment of live hogs from West to East for slaughter, in order to relieve congestion of Western slaughter facilities by reimbursing the shipper or processing plant for the additional cost of transportation and expense incidental thereto approved by the Board and that for that purpose His Excellency the Governor General in Council under authority of the War Measures Act authorized expenditure up to \$175,000 allotted from the War Appropriation of the Department of Agriculture,

And whereas a similar emergency situation as in the Western Provinces in respect of congestion of slaughter facilities has since developed in the Maritime Provinces where hog marketings have during the first nine months of the present calendar year shown progressive increases to 96,143 head, an excess of 31,515 head or more than 45 per cent over the corresponding period of 1943, it is deemed immediately necessary to provide similar relief as for the West through equalization of returns approved by the Board on shipments of hogs from the Maritimes for slaughter in the Provinces of Quebec and Ontario,

Therefore, the undersigned respectfully recommends that His Excellency, the Governor General in Council, under authority of the War Measures Act, authorize the Meat Board to make equalization payments to Maritime hog producers similarly as to Western hog producers from the unexpended balance of the \$175,000 authorized and allotted from the War Appropriation of the Department of Agriculture for equalization of returns to hog producers, and that such payments be retroactive as from October 10th, 1944.”

The Board concur in the above report and recommendation, and submit the same for favourable consideration.

A. D. P. HEENEY,  
*Clerk of the Privy Council.*

#### The Civilian Government Employees (War) Compensation Order

P.C. 45/8848

*Certified to be a true copy of a minute of a Meeting of the Treasury Board, approved by His Excellency the Governor General in Council, on the 22nd November, 1944.*

The Board had under consideration a memorandum from the Honourable the Minister of Finance reporting:—

“That by Order in Council P.C. 311/6181 dated August 4, 1943, made under the War Measures Act, provision was made for the payment of benefits to and in respect of civilian employees of the Government of Canada who, having been sent out of

Canada in the course of duty, suffer disability or death due to enemy action or counter action against the enemy;

That by Order in Council P.C. 2187 dated October 20, 1922, amended by Order in Council P.C. 1165 dated June 15, 1927, and made under Section 6A of the Air Board Act (now Section 7 of the Aeronautics Act, R.S.C. 1927, Chapter 3) provision was made for compensation for death or injury to public servants as a direct result of a flight taken in the course of duty;

That, reference to said Order in Council P.C. 2187 discloses that it was made primarily and perhaps entirely for the protection of aerial observers, and that it did not anticipate coverage of civil servants who would fly on commercial passenger planes;

That the rates of compensation provided by said Order in Council P.C. 2187 are based upon salary of the employee and are designed to parallel the ratio between income and compensation of members of the Forces provided in the schedules to the Pension Act up to and including the rank of Major;

That because of the generality of the provisions of said Order in Council P.C. 2187, and because of the changed conditions since 1922 arising not only out of the war but also out of the establishment of aeroplane passenger services and the cheapness of protective insurance coverage upon flights in such passenger planes, the said Order in Council has caused difficulties in the matter of creating any comprehensive scheme of pension rights for civilian employees in the matter of accidents in the course of duty arising out of war conditions;

That because the said Order in Council P.C. 2187 was intended for the protection of certain salaried classes of civilian employees the schedule of rates therein is not deemed adequate to compensate civilian employees in the higher salary categories, and therefore, notwithstanding the generality of its terms, it is not suitable as a general provision to cover accident during flights;

That the necessity for some comprehensive pension scheme for civilian employees undertaking risks in flight by bomber plane and other non commercial planes (apart from the hazards of enemy action or counter action) has become increasingly apparent;

That the whole subject of pension and compensation rights of civilian employees arising out of accidents due to conditions brought about by the war has been under review by the Pensions Advisory Committee, which Committee has recommended *inter alia*:

- (a) That Order in Council P.C. 311/6181 of August 4, 1943, be amended to include coverage of death or disability suffered by the employee as a direct result of an air flight either within or outside of Canada undertaken in the course of duty arising out of the war but not including an injury resulting from a flight by commercial air line plane in a scheduled flight, and also as a direct result of a flight either within or outside of Canada undertaken in the course of duties not arising out of the war made in other than a commercial air line plane provided such mode of travel was necessitated by war conditions.
- (b) That the rates of pension in said Order in Council P.C. 311/6181 be amended and increased so that the same shall be placed upon an equality in all respects with the scale of pensions provided for members of the Forces under the Pension Act.
- (c) That the said Order in Council P.C. 2187 of October 20, 1922, be amended to exclude from its provisions flights made on commercial passenger planes, and also to revise the scale of pensions thereunder to the levels of the Pension Act.

The undersigned, concurring in the recommendations of the Pensions Advisory Committee, has the honour to recommend pursuant to paragraphs (a) and (b) of the said recommendations, and under authority of the War Measures Act that Order in Council P.C. 311/6181 be rescinded and that the following regulations be made and established in substitution therefor:

## ORDER

1. This Order may be cited as the Civilian Government Employees (War) Compensation Order.

2. For the purposes of this Order and any regulations made thereunder, the following expressions shall, unless a contrary intention appears, have the meanings stated below:—

- (f) 'war flight injury' means any physical injury which, during the war with Germany and Germany's allies, has been sustained by an employee as a direct result of an air flight either within or outside of Canada, undertaken
  - (i) in the course of duties arising out of the said war, but not including an injury resulting from a flight made in a commercial air line plane on a scheduled trip;
  - (ii) in the course of duties not arising out of the said war, when the injury results from a flight made in other than a commercial air line plane on a scheduled trip, provided such mode of travel was necessitated by conditions arising out of the said war.
- (g) 'commercial air line plane on a scheduled trip' shall exclude a plane in the Canadian Government Trans-Atlantic Air Service.

3. Otherwise than as provided by paragraph 9, this Order shall be administered by the Canadian Pension Commission and all the provisions of the Pension Act which are not inconsistent with the provisions of this Order, or any regulations made thereunder, shall apply to every claim for pension made under this Order, and every such claim shall be dealt with and adjudicated upon as if such claim were a claim under the Pension Act and as if the employee were a member of the Forces at the time of incurring the war injury or war flight injury.

4. Any salaried employee who sustains a war injury or war flight injury may be granted special leave with pay for such period of time as may be certified as necessary by a qualified medical practitioner and approved by the Commission, but not exceeding a total of 180 days.

5. Subject to the provisions of these regulations pensions shall be awarded in accordance with the rates set forth in schedules 'A' and 'B' of the Pension Act, to or in respect of any employee who suffers disability or death as a direct result of a war injury or a war flight injury, according to the salary range set opposite the military ranks shown in the following table:

Salary Range	Military Rank

\$3,751.00 to \$5,000.00.....	Major

\$6,501.00 to \$8,000.00.....	Colonel
\$8,001.00 or over.....	Brigadier

6. In respect of an employee serving without remuneration or of a part time employee,

- (a) rating shall be made of salary status for the purposes of the Table in paragraph 5 hereof according to the salary that would be paid a permanent full time civil servant for the nature of the duties performed, and
- (b) such rating shall be made in the first instance by the Deputy Minister of the Department concerned who shall, whenever possible, certify in writing such rating to the Commission before such employee becomes exposed to risk of war injury or war flight injury, and
- (c) if the Commission makes any change in such rating adversely to the applicant for pension, an appeal on the part of the applicant for pension from the Commission's decision thereon, shall be to the Treasury Board, whose decision thereupon shall be final.

7. In the case of an employee who is a salaried employee, and who qualified for benefits under Section 4 hereof, payment of pension in respect of disability shall not commence until the date following completion of the initial period of treatment, or 180 days after the incurrence of the injury, whichever is the earlier date.

8. All benefits under this Order shall be in addition to any benefits to which the employees or their dependents may be entitled under the provisions of the Civil Service Act or the Civil Service Superannuation Act, but shall be subject to deduction of any other compensation receivable on account of the war injury or war flight injury from any source to which the employee has made no direct contribution.

9. (1) The Department may examine, give treatment to and admit to hospital an employee who, in the opinion of the Department, is suffering from a war injury or war flight injury, provided that if the Commission renders a decision that the disability is not attributable to a war injury or war flight injury, treatment and hospital care shall not be continued at the expense of the Department longer than seven days after issue of notification by the Commission of such decision.

That the United States War Production Board has allocated a substantial yardage of rayon-cotton mixture fabrics to Canada;

## SPECIAL DIRECTIONS

**Housing Accommodations known as 2515-2521-2531 Maplewood Avenue,  
in the City of Montreal, in the Province of Quebec**

On November 14, 1944, Philip Joseph, Esquire, landlord of the housing accommodations known as 2515-2521-2531 Maplewood Avenue, in the City of Montreal, in the Province of Quebec, made application on a form provided by the Board for a permit to give a notice to vacate to each of the several tenants of the said accommodations in accordance with Section 16 of Order No. 294 of the Board. On November 16, 1944, the Rentals Appraiser informed each of the tenants in writing of the landlord's application, and invited each of the tenants to submit counter-representations within ten days. On November 25, 1944, the counter-representations of the tenants were submitted in writing by their Attorney.

During the period between November 16 and November 25, 1944, the aforementioned tenants appointed a committee from amongst themselves, and an Attorney, who interviewed members of the Montreal City Council and a Minister of the Crown, urging that pressure be brought to bear upon the Rentals Administration to refuse the landlord's applications. The activities of this committee, and the tenants' arguments and representations against the granting of the applications have been widely and sensationally publicized by the press. The notoriety given to this case has created a climate in which any decision made by the Rentals Administration could be regarded by the public as having been influenced by pressure or propaganda.

Therefore under powers conferred by Order in Council P.C. 9029, and amendments, this Board orders as follows:

1. For the purposes of these Directions, unless the context otherwise requires, the definition of any expression contained in Order No. 294 of the Board, shall extend and apply to the same expression contained in this order.
2. Notwithstanding the provisions of Section 16 of Order No. 294 of the Board, the applications of the landlord of housing accommodations known as 2515-2521-2531 Maplewood Avenue, in the City of Montreal, in the Province of Quebec, made under Section 16 of said Order No. 294, shall be heard and determined by His Honour Judge Gustav Marin, Judge of the Court of Sessions of the Peace, of the Province of Quebec, who shall have power to grant or refuse the permits, and any decision made by him shall be final and conclusive.
3. These Directions shall come into force on November 29, 1944.

Made at Ottawa this 28th day of November 1944.

*Chairman.*

Orders in Council

Order in Council amending the National Selective Service  
Civilian Regulations

P.C. 8726

AT THE GOVERNMENT HOUSE AT OTTAWA

MONDAY, the 27th day of November, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Labour reports that changes in the military situation from time to time result in changes or reductions in the requirements of the armed forces with consequential effects on employment in the manufacture of munitions and supply in Canada;

That it is therefore necessary by reason of the war, for the security, defence, peace, order and welfare of Canada, to make further provisions for the orderly control of employment and to provide financial assistance to those persons who may be, from time to time, out of employment as the result of changing employment conditions;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Labour, and under the authority of the War Measures Act and the National Resources Mobilization Act, 1940, is pleased to amend the National Selective Service Civilian Regulations, as amended, and they are hereby further amended as follows:

1. Section 2 is amended by adding thereto the following paragraph:

“(x) ‘victory holiday’ means a day proclaimed or declared a holiday by the Government of Canada or a province of Canada or by a municipality to mark or celebrate the cessation of hostilities in any theatre of war and, with reference to any establishment, includes a holiday declared by the employer to mark or celebrate the cessation of hostilities in any theatre of war.”

2. Section 202 is revoked and the following is substituted therefor:

“202. (1) Except in cases to which subsection two of this section applies, an employer shall, before he lays off or terminates the employment of an employee,

- (a) give the employee in prescribed form, in duplicate, seven days' notice of separation exclusive of the day on which the notice is given; or
- (b) give the employee in prescribed form notice of separation and pay him in lieu of notice six days' wages or salary at the normal full time rate at which he was being paid immediately before the termination of the employment.

(2) Where an employee is not in employment to which he has been directed under this part and

- (a) he is employed on building construction work;
- (b) he has been in the employment for a period of less than one month;
- (c) by reason of weather conditions or by reason of fire, explosion or other calamity, his services cannot be utilized; or
- (d) he has refused to accept a transfer under a collective labour agreement or practice in the industry in accordance with which employees have agreed or are accustomed to transfer from their usual employment to alternative employment with the same employer at a lower rate of remuneration,

the employer shall give him notice of separation in prescribed form, in duplicate, before laying him off or terminating his employment.

(3) An employer may, in any period of six months commencing on the first day of a month of January or July, lay off any employee for one or more periods not exceeding in the aggregate fourteen days without complying with subsection one or two of this section.

(4) Where an employer lays off an employee under subsection three of this section, he shall, within forty-eight hours of the commencement of the lay-off period, give the local office a notice in writing specifying the name of the employee laid off and the probable duration of the lay-off period.

(5) After an employee has been laid off under subsection three of this section for the maximum time thereby permitted in a six months' period, he shall be deemed for all purposes of the contract of employment, to have been employed normal full time in the employment during any additional period in the six months' period during which he is laid off without having been given notice in accordance with subsection one of this section, and, without limiting the generality of the foregoing, he shall be entitled to recover wages or salary in respect of the period during which he is hereby deemed to have been employed at the normal full time rate at which he was being paid immediately before the beginning of the lay-off period in any court of competent jurisdiction.

(6) Except when he is terminating his employment to undergo alternative service under the National Selective Service Mobilization Regulations or to enter service in His Majesty's Canadian armed forces, an employee shall, before terminating his employment, give to his employer in prescribed form, in triplicate

(a) seven days' notice of separation exclusive of the day on which such notice is given; or

## Board Orders

## WARTIME PRICES AND TRADE BOARD

ORDER No. 459

**Maximum Rentals and Termination of Leases for Housing Accommodation and Shared Accommodation**

It has come to the attention of the Board that tenants and prospective tenants are being required to pay commissions, or to buy or rent goods at unreasonable prices, or to pay rental in advance for unreasonable periods, or to enter into other onerous transactions as a condition of obtaining a lease or renewal of a lease for housing accommodation or shared accommodation. These practices have never been customary in leasehold transactions, are designed to evade the rentals regulations and, as such, are detrimental to the proper and efficient administration of the rentals regulations.

Therefore, under powers given to the Board by the Wartime Leasehold Regulations, being Order in Council P.C. 9029 dated November 21, 1941, and amendments, and otherwise, the Board hereby orders as follows:

1. Order No. 294 of the Board is amended by deleting Section 34 and the heading thereof and by substituting the following therefor:

*"Sales and Collateral Transactions"*

34A. (1) Any agreement of sale of housing accommodation which provides for forfeiture in the event of default in payment of the purchase price without liability for the unpaid part of such price shall, for the purposes of this Order, be deemed to be a lease and any payments made thereunder shall be deemed to be rental.

(2) If any agreement between a landlord and a tenant of any housing accommodation provides for payment by the tenant, in addition to the stipulated rental, of any sum as consideration for an option granted to the tenant to purchase the accommodation, such sum shall be deemed to be rental.

34B. No person, in letting or offering to let any housing accommodation or shared accommodation, or in negotiating a lease or renewal of a lease for any such accommodation or for furnishing any information respecting such accommodation, shall directly or indirectly charge, demand, collect or receive from any tenant or prospective tenant of such accommodation any commission, bonus, gratuity, reward or premium in money or money's worth, and if any such commission, bonus, gratuity, reward or premium is paid it shall be recoverable by such tenant or prospective tenant from the person to whom it was paid.

34C. (1) No person in letting or offering to let any housing accommodation or shared accommodation, or in negotiating a lease or renewal of a lease for any such accommodation, shall require the tenant or prospective tenant

(a) to purchase any goods from any person unless and until the maximum price for such goods has been fixed by the Rentals Appraiser; or

(b) to rent any goods from any person other than the landlord of the accommodation unless and until the maximum rental for such goods has been fixed by the Rentals Appraiser.

(2) No landlord of any housing accommodation or shared accommodation and no person on behalf of such landlord, shall sell any goods to the tenant or prospective tenant of such accommodation unless and until the maximum price for such goods has been fixed by the Rentals Appraiser.

(3) An application for the fixation of a maximum price or maximum rental under this Section shall be made, on a form provided by the Board, by the owner of the goods or by the tenant or prospective tenant.

(4) If any sale or lease of goods is made in contravention of this Section a maximum price or maximum rental may be fixed by the Rentals Appraiser and such fixation shall be deemed to be effective as at the date of the sale or lease of such goods.

(5) Any fixation by the Rentals Appraiser shall be final and conclusive.

(6) For the purposes of this Section "goods" means any articles, commodities, substances or things including the personal or household effects of any person.

34D. No person shall require the tenant or prospective tenant of any housing accommodation or shared accommodation to pay more than one month's rental in advance or, if the rent is payable or to be payable by the week, more than one week's rental in advance.

34E. (1) Whenever it appears to the Rentals Administrator that any term or condition has been imposed on the tenant or prospective tenant of any housing accommodation or shared accommodation which, in the Administrator's opinion, is unreasonable or unjust or is designed to evade or has the effect of evading the spirit and intent of the Wartime Leasehold Regulations or of this or any other Order, the Rentals Administrator may determine that such term or condition was imposed as a term of the letting or of the offer to let any such accommodation and he may, with the approval of the Chairman, issue special directions in writing with respect thereto.

(2) Any determination by the Rentals Administrator as provided in subsection (1) preceding shall be final and conclusive.

2. This Order shall come into force on November 30, 1944.

Made at Ottawa, November 29, 1944.

**Definitions**

4. For the purposes of this Order,

- (a) "Atlantic" as used in this Order refers to fish and fish products caught or taken or processed from fish caught or taken in waters off the eastern coast of Canada or off the coast of Newfoundland or from the waters of any river flowing into the Atlantic Ocean;
- (b) "fish" and "fish products" mean respectively, the fish and fish products to which this Order applies;

- (e) "wholesale distributor" means any person other than a primary producer or a processor who sells at wholesale;

### **Sales of Imported Fresh Water Fish**

10. The maximum price at which any person may sell any imported fish or fish products to any buyer shall be an amount equal to the price at which that person sells to that class of buyer, fish or fish products of the same or a substantially similar

variety, kind and quality and style of dressing taken or processed from fish taken from Canadian fresh waters or from Atlantic waters and landed directly in Canada, as the case may be.

### **Records and Invoices**

Notice *re* Priorities Officers' Order No. P.O. 5C

1. The following Order of the Priorities Officer supersedes Orders P.O. 5B dated January 29, 1944, P.O. 5B-1 dated March 20, 1944, P.O. 5B-2 dated June 15, 1944, and P.O. 5B-3 dated October 27, 1944. In comparison with previous Orders, this new Order applies to wider classification of importers and generally increases the types of materials and the dollar value of capital equipment for which United States preference ratings may be extended automatically. To assist in noting variations from Order P.O. 5B, alterations from that Order which consist of additional items or changes in wording have been underlined. However, the complete Order should be studied, as there have also been deletions.

2. Priorities Officer's Order P.O. 5C sets forth provisions applicable to the purchase of materials in the United States under the following condition only:—

The purchase is to be made in the United States and is for materials (other than controlled Materials) which are to be used only for maintenance, repair and operating supplies or minor capital expenditures as defined in the Order.

3. This Order of the Priorities Officer prescribes the method by which preference ratings assigned by the United States War Production Board may be used by Canadian importers when purchasing such maintenance, repair and operating supplies or minor capital expenditures in the United States.

4. The United States War Production Board has assigned the ratings described in Order P.O. 5C to the persons in Canada indicated in the Order, to the extent therein authorized.

## WARNING

The Order must be carefully read to determine whether its provisions are applicable to the person desiring to make use of them. Under Section 15 of the Wartime Industries Control Board Regulations any person who fails to observe any Order of the Priorities Officer or obstructs, or makes any false statement or representation to or for the use or information of the Priorities Officer or any person acting under his authority, is guilty of an offence and liable to a fine up to \$5,000 or imprisonment up to 5 years or to both. Any person making use of the procedures set out in this Order under circumstances not permitted by the provisions of the Order is guilty of an offence under Section 15 of the Wartime Industries Control Board Regulations and subject to the penalties thereof.

(2) United States preference ratings described in Section 3 of this Order may be applied to purchase orders (other than those specified in paragraph 3 of this Section 2) placed by distributors with United States suppliers calling for delivery of materials for resale on their customers' purchase orders for use by the customer as maintenance, repair and operating supplies or minor capital expenditures, or to replace in inventory similar materials previously delivered on such customers' purchase orders.

(3) The provisions of this Section 2 shall not be applied to purchase orders for any materials specified in Schedule 5 to this Order regardless of quantity or value.

### 3. PREFERENCE RATINGS FOR MAINTENANCE, REPAIR AND OPERATING SUPPLIES AND MINOR CAPITAL EXPENDITURES

(1) Grades of preference ratings may be applied to purchase orders eligible under Section 2 of this Order as follows:

- (a) United States preference rating AA-1 may be applied by any importer for materials for use by the importer for maintenance or repair of any plant, facility or equipment producing any product or engaged in any industry, service or activity listed in paragraphs (2), (3), and (4) of Schedule 2 to this Order, or for necessary operating supplies or minor capital expenditures for such production, industry, service or activity, and United States preference rating AA-1 may be applied by any distributor to the extent defined in paragraph (1) of Schedule 2;

#### PROVIDED THAT:

- (i) In the case of such materials specified in Schedule 7 to this Order, United States preference rating AA-2X is to be applied instead of AA-1, unless the material is for use by a person engaged in the production of iron or steel or engaged in the petroleum industry (except retail marketing);
- (ii) In the case of such materials (other than the exceptions) specified in Part 1 of Schedule 9 to this Order, United States preference rating AA-3 is to be applied when the material is for use by a person engaged in the business of supplying gas, light, heat, power or central heating to the public;
- (iii) In the case of such materials specified in Part 2 of Schedule 9 to this Order, United States preference rating AA-3 is to be applied when the material is for use by a person engaged in furnishing public telephone communication service.
- (b) United States preference rating AA-2 may be applied by any importer for materials for use by the importer for maintenance or repair of any plant, facility or equipment producing any product or engaged in any industry, service or activity listed in paragraphs (2), (3), and (4) of Schedule 3 to this Order, or for necessary operating supplies or minor capital expenditures for such production, industry, service or activity, and United States preference rating AA-2 may be applied by any distributor to the extent defined in paragraph (1) of Schedule 3; provided that in the case of such materials specified in Schedule 7 to this Order, United States preference rating AA-3 is to be applied instead of AA-2;
- (c) United States preference rating AA-3 may be applied by any importer for materials for use by the importer for maintenance or repair of any plant, facility or equipment producing any product or engaged in any industry, service or activity listed in paragraphs (2) and (3), of schedule 8 to this Order, or for necessary operating supplies or minor capital expenditures for such production, industry, service or activity, and United States preference rating AA-3 may be applied by any distributor to the extent defined in paragraph (1) of Schedule 8;
- (d) United States preference rating AA-5 may be applied by any importer for materials for use by the importer for maintenance or repair of any plant, facility, or equipment producing any product or used in any business, insti-

tution or Governmental agency listed in paragraphs (2), (3), and (4) of Schedule 4 to this Order, or for necessary operating supplies or minor capital expenditures for such production, business, institution or Governmental agency and United States preference rating AA-5 may be applied by any distributor to the extent defined in paragraph (1) of Schedule 4.

(2) If a single plant or operating unit other than a distributor is engaged in several activities which are classified in two or more of Schedules 2, 3, 4, and 8 to this Order, and it is impracticable to apportion requirements for maintenance, repair and operating supplies or minor capital expenditures between such activities, the principal activity alone shall be considered for purposes of determining which grade of preference rating may be applied under this Order.

(3) A United States preference rating assigned under the provisions of this Order shall be assigned by use of the following certification, endorsed on or attached to the purchase order and signed by the importer:—

Preference Rating.....(specify rating).....MRO-D.

The undersigned purchaser certifies, subject to the penalties of Section 15 of the Canadian Wartime Industries Control Board Regulations, to the seller, to the Canadian Priorities Officer, and to the War Production Board, that, to the best of his knowledge and belief, the undersigned is authorized under applicable Canadian Orders to place this delivery order, to receive the item(s) ordered for the purpose for which ordered, and to use any preference rating or allotment number or symbol which the undersigned has placed on this order.

Provided that persons engaged in the business of analytical, clinical, instructional, production control, research and testing laboratories shall use the symbol "MRO-P-43" instead of the symbol "MRO-D" specified in the above certification, and any distributor shall use the symbol "MRO-P-43" instead of the symbol "MRO-D" to the extent that he has received purchase orders identified by the symbol "MRO-P-43".

#### 4. RESTRICTIONS ON APPLICABILITY

(1) The provisions of this Order shall not be used by any person to obtain delivery of maintenance, repair and operating supplies or minor capital expenditures if acceptance thereof would increase his inventory above a practicable working minimum or contravene the provision of any Order or Order in Council governing inventory, consumption or production in Canada.

(2) Nothing in this Order shall be deemed to authorize the use of a United States preference rating for the purchase of any materials for which special applications are required under M, L, E or U Orders in the United States.

(3) When a specific preference rating is assigned by a United States M, L, or E Order to deliveries of any particular material, to be used by a particular industry or for a specific purpose, the ratings assigned by this Order may not be applied in respect of such material.

(4) A distributor who has received from a customer a purchase order entitling him to assign a United States preference rating under the provisions of this Order, shall not assign such rating at any time later than three months after the date of receipt of his customer's purchase order.

(5) No person using the provisions of this Order shall order, for delivery from United States suppliers during any calendar quarter materials for use as maintenance, repair and operating supplies or minor capital expenditures in an aggregate amount exceeding the aggregate amount of such materials obtained from United States suppliers during the same calendar quarter of the previous year. Such aggregate quarterly amount to be imported under the provisions of this Order shall be calculated in purchase value and shall include minor capital expenditures, as defined in paragraph (h), Section 1 of this Order. In the calculation of the aggregate amount for the corresponding quarter of the previous year, however, such purchases of minor capital expenditures shall be excluded. Should a greater amount be required, application may be made for a specific authorization by filing a letter with the Priorities Officer

setting forth the relevant facts. The quantity restrictions provided for in this subsection (5) shall not apply to persons obtaining delivery of maintenance, repair and operating supplies or minor capital expenditures from United States suppliers aggregating \$1,000 or less in purchase value per year.

#### 5. REPORTS

Any person assigning preference ratings pursuant to the provisions of this Order shall execute and file such reports as may from time to time be required by the Priorities Officer.

#### 6. EXCLUSIONS AND INCLUSIONS OF PERSONS OR CLASSES

The Priorities Officer may from time to time exclude from, or include in the provisions of this Order, or any part of this Order, any materials, persons or classes of persons.

#### 7. EFFECTIVE DATE

This Order shall be effective on and after November 20, 1944.

#### 8. REVOCATION OF PREVIOUS ORDERS

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 15th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Labour reports that it is necessary to appoint a Chairman of the Saskatchewan Wartime Labour Relations Board established by Order in Council P.C. 3732 of May 18th, 1944, to administer the Wartime Labour Relations

**Order in Council exempting imports of sodium fluoride for use in  
the treatment of water as a preventive of dental caries  
from war exchange tax**

P.C. 9271

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 15th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports,—

That the City of Brantford, Ontario, is experimenting with the use of sodium fluoride in the treatment of its water supply as a preventive of dental caries;

That sodium fluoride is not made in Canada;

That about 80 p.c. of Canada's imports of sodium fluoride are for disinfecting, etc. and are admitted at the Canada-United States Trade Agreement rate of 7½ p.c. *ad valorem*, but when imported for other purposes, such as the treatment of water, this chemical is dutiable at the rate of 17½ p.c. *ad valorem*;

That imports of all sodium fluoride of non-British Empire origin are also subject to the war exchange tax of 10 p.c. *ad valorem*; and

That if imports of sodium fluoride for use in the treatment of water, as a preventive of dental caries, were exempt from the war exchange tax, the laid down cost thereof in Canada would be approximately the same as the laid down cost of sodium fluoride imported for disinfecting, etc.

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to order and it is hereby ordered that imports of sodium fluoride for use in the treatment of water, as a preventive of dental caries, be exempt from the war exchange tax of 10 p.c. *ad valorem*, effective October 1, 1944.

P.C. 9272

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 15th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports:

That prior to the war, milk and buttermilk powders were the principal sources of riboflavin an important vitamin in livestock and poultry feeding;

That wartime demands for milk products for human consumption greatly reduced the quantity available for animal and poultry feed;

That synthetic riboflavin imported from the United States is now commonly used in mixed feeds as a substitute for milk and buttermilk powders;

That riboflavin when imported from the United States is dutiable at the Canada-United States Trade Agreement rate of 17½ p.c. *ad valorem* and the war exchange tax of 10 p.c. *ad valorem* applies; and

That the Feeds Administrator recommends that imports of riboflavin for use exclusively in the manufacture of feeds for livestock, poultry or fur-bearing animals be exempt from Customs duty and taxes;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to order and it is hereby ordered,

1. That riboflavin when imported for use exclusively in the manufacture of feeds for livestock, poultry, or fur-bearing animals be accorded the tariff treatment hereunder indicated, effective October 1, 1944:

A. D. P. HEENEY,  
*Clerk of the Privy Council.*

Order in Council appointing A. J. Andrews as Controller of Canadian Aircraft Instruments and Accessories, Limited

P.C. 9303

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 15th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Munitions and Supply reports that the Department of Munitions and Supply has placed numerous orders with Canadian Aircraft Instruments and Accessories Limited (hereinafter called "the Company") a company having a

place of business at Leaside, Ontario, for the manufacture and supply of aircraft instruments and accessories required for war purposes by Canada and other of the United Nations; and

That a substantial number of such orders have been placed on the basis of "ceiling prices" with provision for downward adjustment in the event of it being ascertained, as a result of an audit of the Company's books, that the profits to the Company in respect of such orders were in excess of a fair and reasonable profit.

And whereas Section 13 of The Department of Munitions and Supply Act contains provisions which are designed to ensure that the profits received by a contractor under a munitions contract, as defined therein, shall not be excessive and empowers the Minister of Munitions and Supply, *inter alia*, in cases where he is satisfied that the price paid and payable to a contractor under a munitions contract contains an unreasonable profit, to direct the contractor to renegotiate the contract price and to direct the contractor to pay to the Receiver General of Canada any amount received by the contractor which in the opinion of the Minister represents an unreasonable profit;

And whereas the Minister further reports that the orders placed with the Company as aforesaid are munitions contracts within the meaning of Section 13 of the said Act;

That he has caused an examination to be made of the accounts and records of the Company relating to the work done by the Company for the purpose of carrying out such orders up to December 31st, 1943, and that he is satisfied, as a result of such examination, that the contract prices, paid to the Company, in respect of such orders, resulted in the Company receiving a profit substantially in excess of what was fair and reasonable;

That His Majesty has a substantial claim against the Company for refund of amounts received by it under such orders which in his opinion represent an unreasonable profit;

That Orders in Council P.C. 6982 of December 4th, 1940, P.C. 11081 of December 8th, 1942 and P.C. 449 of January 24th, 1944 provide, in effect, that if the Minister of Munitions and Supply, on behalf of His Majesty has agreed to indemnify the contractor against any action, claim or proceeding for the infringement of any patent or for the nonpayment of royalties or fees (as defined in said Order in Council P.C. 449), then no action, claim or proceeding for infringement or for the nonpayment of royalties or fees shall be made or instituted against such contractor, but His Majesty shall pay to the owner or licensor of the patent or the person who has furnished the engineering or other technical assistance, such compensation as the Commissioner of Patents reports to be reasonable;

That the Company has been instructed to make no payment of royalties or fees in connection with munitions contracts placed with it and has been given the indemnity provided for in such Orders in Council;

That the said examination of the accounts and records of the Company discloses that the Company has included in the contract price paid to the Company in respect of such orders, substantial sums for royalties and commissions, which latter are fees within the meaning of said Order in Council P.C. 449; and

That the Company has been requested to return such royalties and fees to the Receiver General of Canada but it has failed and neglected to do so.

And whereas, having regard to the foregoing, the Minister is of the opinion that it is desirable and in the public interest that a Controller should be appointed to supervise and control the finances and financial transactions of the Company and to preserve the assets of the Company, and that Arthur James Andrews, of the City of Toronto, Chartered Accountant, is a fit and proper person to act as such Controller.

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Munitions and Supply, and under and by virtue of the powers conferred by the War Measures Act and The Department of Munitions and Supply Act, is pleased to order and doth hereby order,

(1) That Arthur James Andrews, of the City of Toronto, Chartered Accountant, be and he is hereby appointed Controller of Canadian Aircraft Instruments and Accessories Limited, with the powers and authorities hereinafter set forth;

(2) That the Controller shall have the custody and control of all funds and securities from time to time owned or held by the Company and shall have complete supervision and control of the financial affairs of the Company;

(3) That the Company shall have no power to spend or borrow money, or make commitments, or incur liabilities, or mortgage, charge, hypothecate or pledge any of its property, whether existing at the date hereof or subsequently acquired, except with the general or specific authorization in writing of the Controller;

(4) That no cheques, notes or other bills of exchange, or other negotiable instruments shall be issued by the Company, or if issued shall be valid, unless countersigned by or on behalf of the Controller;

(5) That the Contractor shall have power and authority, in the name and on behalf of the Company, to issue cheques, notes and other bills of exchange and negotiable instruments of all kinds, to borrow money from such parties and on such terms as he may think fit, and to mortgage, charge, hypothecate or pledge all or any of the property of the Company, whether existing at the date hereof or subsequently acquired, for securing repayment of the money so borrowed;

(6) That the Company shall have no power, except with the general or specific authorization in writing of the Controller, to bring, defend, settle, compromise, abandon or consent to judgment in any action, suit or other legal proceeding, other than any action, suit or proceeding by or against His Majesty;

(7) That the Controller shall have power and authority to bring or defend, in the name and on behalf of the Company, any action, suit or other legal proceeding, other than any action, suit or proceeding by or against His Majesty, and that the costs incurred by the Controller in so doing, as well as the expense of complying with any judgment, rendered against the Company in any such action, suit, or proceeding, shall be a charge upon the property and operations of the Company;

(8) That the Controller shall exercise the powers and authorities conferred upon him by this Order, subject to such instructions and directions, if any, as the Minister of Munitions and Supply may from time to time see fit to give, provided, however, that all acts and things done by the Controller hereunder shall, whether or not in contravention of such instructions or directions, be binding upon the Company, and all persons are invited to act accordingly;

(9) That the Controller, in exercising the powers and authorities hereby conferred upon him, shall be deemed to be acting as the agent of the Company, except that he shall not be subject to any direction or control on the part of the Company or of its officers;

(10) That the Controller may be paid such remuneration, if any, as shall be determined by the Minister of Munitions and Supply to be fair and reasonable, including out-of-pocket expenses, all of which shall be payable by and shall be a charge upon the operations of the Company, and that the Controller shall have full power and authority to employ such assistants (if any) to aid him in the carrying out of his duties hereunder as in the opinion of the Controller shall seem desirable, and to pay such assistants such remuneration as to the Controller shall seem fair and reasonable, and such remuneration shall likewise be payable by and shall be a charge upon the operation of the Company;

(11) That until further Order the board of directors and shareholders of the Company shall be entitled to continue to manage, operate, carry on, control and supervise the business, undertaking, affairs and operations of the Company, subject only to the limitations hereby imposed;

(12) That the Controller and any person acting for or on behalf of or under the authority of the Controller shall not be or become personally liable to any person (including the Company, its creditors and/or shareholders) for anything done or omitted in the exercise or purported exercise of any power or authority from time to time vested in or conferred upon the Controller;

(13) That any person violating or interfering with the exercise by the Controller of any of the powers, authorities and rights conferred upon the Controller shall be liable, upon summary conviction, to a fine of not exceeding \$5,000 or imprisonment for a term not exceeding five years, or to both fine and imprisonment.

The making of this Order and the granting of the powers conferred upon the Controller hereby appointed are deemed to be advisable for the security, defence, peace, order and welfare of Canada, having regard to the existence of the present

state of war and the necessity of insuring that in the national interest the profits derived by contractors under munitions contracts and the payments to be made to others for use of patents or technical information and assistance in respect of such contracts shall not be excessive.

**Order in Council continuing special tariff treatment of  
towels, glass cloths, etc.**

P.C. 9342

AT THE GOVERNMENT HOUSE AT OTTAWA

FRIDAY, the 15th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports,—

That imports under Tariff Items 540(a) and 540(b), the Items covering woven fabrics, in the web, sheets, pillow cases, table cloths, napkins, towels and handkerchiefs wholly of flax or hemp but not including towels or glass cloths of crash or huck nor

table cloths and napkins of crash are exempt from Customs duty under the British Preferential Tariff;

That imports under Tariff Item 540(c), the Item covering:

"Towelling and glass cloth of crash or huck, with or without lettering or monograms woven in, table cloths and napkins of crash with coloured borders, in the web, wholly of flax or hemp; woven fabrics, in the web, composed in part of flax or hemp, not containing silk, synthetic textile fibres or filaments, nor wool."

and subject to Customs duty under the British Preferential Tariff at rates of 22½ p.c. ad valorem and 3 cents per pound, less a discount of 50 p.c.;

That imports under Tariff Item 540(d), the Item covering:

"Towels and glass cloths of crash or huck, with or without lettering or monograms woven in, table cloths and napkins of crash with coloured borders, wholly or in part of flax or hemp, not containing silk, synthetic textile fibres or filaments, nor wool."

are subject to Customs duty under the British Preferential Tariff at rates of 25 p.c. ad valorem and 3 cents per pound, less a discount of 50 p.c.;

That Order in Council P.C. 1880 of March 9, 1943, eliminated the Customs duty on imports from the United Kingdom of the goods described in Tariff Items 540(c) and 540(d) during the period March 1, 1943, to February 29, 1944, and Order in Council P.C. 721 of February 7, 1944, provided for the continuance of duty free entry of these goods for the period March 1, 1944, to December 31, 1944; and

That there is still a shortage in Canada of towels, towelling, table cloths and napkins and the elimination of the British Preferential Tariff on imports of the goods specified in Tariff Items 540(c) and 540(d) for a further period of one year would aid in relieving the existing shortage and at the same time substantially reduce the amount of subsidy that would otherwise be payable on imports of such goods;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to order and it is hereby ordered that imports of the goods specified in Tariff Items 540(c) and 540(d) of Schedule "A" to the Customs Tariff be exempt from duties of Customs when originating in and imported from countries the products of which are entitled to British Preferential Tariff treatment, during the period January 1, 1945, to December 31, 1945.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas The War Service Grants Act, 1944, provides that the said Act shall come into force on the first day of January, 1945, or on any date between the first day of October, 1944, and the first day of January, 1945, as may be set by proclamation of the Governor in Council;

And whereas it is not deemed expedient that the said Act come into force until the first day of January, 1945;

And whereas the said Act empowers the Governor in Council to make regulations to implement the said Act;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs (concurred in by the Minister of National Defence, the Minister of National Defence for Naval Services and the Minister of National Defence for Air) and under and by virtue of The War Service Grants Act, 1944, and the War Measures Act, and notwithstanding the provisions of any law to the contrary, is pleased to make the following regulations and they are hereby made and established:

### WAR SERVICE GRATUITY REGULATIONS, 1944

1. These Regulations may be cited as the 'War Service Gratuity Regulations'.
2. In these Regulations, "Act" means "The War Service Grants Act, 1944." The words and phrases defined in Section 2 of the Act shall bear the same meaning where used in these Regulations.
3. Section 2(c) of the Act shall be read as if, after the word "forces," there were inserted the words "at any time subsequent to the 10th day of September, 1939."
4. The expression "seagoing ship of war," as used in Section 2(h) of the Act, shall mean any ship or other vessel, service in which is classed as 'sea time' for the purpose of the advancement of naval ratings, or which would be so classed were the ship or other vessel in the service of the naval forces of Canada.
5. The gratuity provided for in Section 3 of the Act shall be computed at the rate of \$7.50 for every completed period of thirty days of service, together with an additional sum of 25 cents for every day of overseas service which falls within such periods.

6. A period of overseas service, in the case of a member posted to the strength of an overseas unit, establishment or ship, shall be deemed to commence on the day of posting overseas and to conclude on the day taken on strength on return from overseas. A period of temporary duty, for the purposes of the Act, shall be deemed to commence on the day of proceeding on such duty from the parent unit, establishment or ship and to conclude on the day of return thereto.

7. Section 4 of the Act shall be read as if, after the words "immediately prior to his death" in the first sentence, there were inserted the words "or discharge."

8. (1) The expression "to whom or in respect of whom dependents' allowance was payable," as used in the first sentence of Section 4 of the Act, shall mean a person who was in receipt of, or who, in the opinion of the Dependents' Allowance Board, was eligible for dependents' allowance on behalf of a deceased member immediately prior to the member's death or discharge.

(2) The expression "or would have been payable if such person had not been a member of the forces," as used in the first sentence of Section 4 of the Act, shall mean a person who, in the opinion of the Dependents' Allowance Board, would have been eligible for dependents' allowance on behalf of a deceased member immediately prior to the member's death or discharge, had such person not been a member of the forces.

(3) The expression "or to a dependent to whom pay was assigned," as used in the first sentence of Section 4 of the Act, shall mean a person who, in the opinion of the Minister, or such authority as he may designate, was dependent in whole or in part upon a deceased member, and to whom pay was assigned by such member, immediately prior to the member's death or discharge.

(4) For the purposes of this Regulation, "deceased member" includes a member who, for official purposes, is presumed to have died.

9. The expression "six months" as used in Section 6 of the Act shall mean "183 days."

10. (1) In calculating the supplement for overseas service, payable under Section 6 of the Act, all allowances calculable and payable on a daily basis, and also dependents' allowance, shall be included in the expression "pay and allowances": Provided that the following allowances shall not be included in such expression:—

- (a) kit upkeep allowance;
- (b) underclothing allowance;
- (c) travelling allowance;
- (d) lodging and provision allowance or subsistence allowance, as applicable, in excess of the standard rates payable in Canada at the date of discharge;
- (e) any special allowance payable overseas but not payable in respect of service in Canada.

(2) The pay and allowances (as limited in this Regulation), and also dependents' allowance, in issue to a member at the date of discharge, shall be used in all cases in calculating the supplement payable under Section 6 of the Act, unless, solely in consequence of his posting to a special discharge unit or establishment prior to discharge, a lower rate of pay and allowances was in issue to the member at the date of discharge, in which case the pay and allowances (as limited in this Regulation), and also dependents' allowance, in issue to such member at the unit, establishment or ship where he last served in his normal capacity or trade, shall be used in calculating the supplement.

11. (1) Section 7 of the Act shall be read as if, after the words "pay and allowances" there were added the words, "including dependents' allowance," and as if, for the words "for the month immediately preceding his discharge" there were substituted the words "for the thirty days immediately preceding his discharge unless, solely in consequence of his posting to a special discharge unit or establishment prior to discharge, a lower rate of pay and allowances was in issue to a member at the date of discharge, in which case no instalment shall exceed the pay and allowances, includ-

ing dependents' allowance, in issue to such member for the thirty days immediately preceding his posting from the unit, establishment or ship where he last served in his normal capacity or trade."

(2) For the purposes of this Regulation, the pay and allowances, including dependents' allowance, in issue "for the thirty days immediately preceding his discharge" or "for the thirty days immediately preceding his posting from the unit, establishment or ship where he last served in his normal capacity or trade," as the case may be, shall be deemed to be the equivalent of the daily rate in issue for the last day of either of such thirty-day periods, multiplied by thirty.

(3) For the purposes of this Regulation, the expression "pay and allowances" shall include all allowances calculable and payable on a daily basis, and also dependents' allowance: Provided that the following allowances shall not be included in such expression:—

- (a) kit upkeep allowance;
- (b) underclothing allowance;
- (c) travelling allowance;
- (d) lodging and provision allowance or subsistence allowance, as applicable, in excess of the standard rates payable in Canada at the date of discharge;
- (e) any special allowance payable overseas but not payable in respect of service in Canada.

(4) The gratuity or any portion thereof payable to a person who qualifies therefor in respect of a member of the forces who dies on service or after discharge, but before such member has been paid in full, shall be paid in one lump sum.

12. Section 11 of the Act shall be read as if, after the words "shall be entitled to any benefits under this Act if," there were inserted the words "at any time subsequent to the 10th day of September, 1939," and as if, at the end of the said Section there were added the following:—

"Provided that if any member rejoins the forces after his services have been terminated in any of the circumstances mentioned in this Section, he shall not be disentitled to the benefits provided in this Act in respect of his service after so rejoining, merely by reason of the circumstances attending the prior termination of his services."

13. Section 12 of the Act shall be read as if, after the words "shall be entitled to any benefits under this Act if he has been discharged," there were inserted the words "at any time subsequent to the 10th day of September, 1939," and as if, at the end of the said Section, there were added the following:—

"Provided that if any member rejoins the forces after his services have been terminated in any of the circumstances mentioned in this Section, he shall not be disentitled to the benefits provided in this Act in respect of his service after so rejoining, merely by reason of the circumstances attending the prior termination of his services."

14. For the purposes of Sections 11 and 12 of the Act, "misconduct" shall mean:—

- (a) the commission of an offence under the Naval Discipline Act, the Army Act or the Air Force Act, whereof the member was convicted by a court-martial, including, in the case of the naval forces, a disciplinary court, or whereof he was found guilty upon the charge or charges being disposed of summarily;
- (b) the commission of an offence whereof the member was convicted by a court of competent jurisdiction;
- (c) such misconduct as has, in the case of an officer, resulted in his removal from the forces, or, in the case of a seaman, resulted in his discharge for the stated reason of "services no longer required," or, in the case of a soldier or airman, resulted in his discharge for the stated reason of "misconduct," as shown in the appropriate naval, military or air force orders.

15. (1) The question as to whether or not a member is, by virtue of Sections 11 or 12, as the case may be, of the Act, disentitled to any benefits thereunder, shall be

decided in the first instance by the appropriate authorities of the force to which his application is required to be made. In the event of such authorities deciding that the member is, by virtue of either of the said Sections, not entitled to any benefits under the Act, and in any other case in which such authorities deem fit, the application with all relevant files and documents will be forthwith referred to the Board of Review constituted hereunder.

(2) There is hereby constituted and established a Board of Review to be composed of a chairman and two or more members, all of whom shall be appointed by the Minister of National Defence. It shall be the duty of the Board and it shall have power to decide whether or not a member whose application has been referred to it, under paragraph (1) of this Regulation, is, by reason of Sections 11 and 12 of the Act and Regulation 14 of these Regulations, disentitled to any benefits under the Act. The Board may make such inquiry as it considers necessary.

16. For the purposes of Section 15 of the Act, the question as to whether pecuniary benefits granted by the government of any of His Majesty's dominions other than Canada or from the government of any power allied or associated with His Majesty are "of the same nature" as the gratuity or credit payable or which is granted under the Act shall be referred to the Minister, or to such authority as he may designate, and the decision of the Minister or designated authority, as applicable, shall be final.

17. For the purposes of Section 16 of the Act, the benefits provided for in Sections 3 and 8 of the Act, payable to or in respect of a member who has had service in more than one force, shall be calculated as if his total service had been uninterrupted service in any one of such forces, and the benefits provided for in Section 6 of the Act, payable to or in respect of a member who has had service in more than one force, including overseas service in one or more of such forces, shall be calculated proportionately, having regard to the time spent in, and the pay and allowances in issue to him at the date of discharge from, each force in which he has had overseas service.

18. (1) Section 17 of the Act shall be read as if, after the words "within one year from the date of discharge from any of the forces mentioned in this Section," there were inserted the words "or, if since such discharge the person has joined a Canadian force, then within one year from the date of discharge from such Canadian force, or, in any case, if discharge has taken place prior to the coming into force of this Act, then within one year from the coming into force of this Act,".

(2) For the purposes of Section 17 of the Act, the question as to whether pecuniary benefits granted by the government of any of His Majesty's dominions other than Canada are "of the same nature" as the gratuity or credit payable or which is granted under the Act shall be referred to the Minister, or to such authority as he may designate, and the decision of the Minister or designated authority, as applicable, shall be final.

(3) Where a person who is entitled to benefits under Section 17 of the Act is granted any pecuniary benefits "of the same nature" as a gratuity or credit payable under the Act, from the government of any of His Majesty's dominions, other than Canada, in respect of service performed with the naval, military or air forces of any such dominion, such benefits shall be deducted from the gratuity to the extent of the amount payable as such, and the balance of such benefits, if any, shall be deducted from the re-establishment credit.

19. Section 20 of the Act shall be read as if, after the word "taxation," there were inserted the words: "nor shall any such gratuity or credit, or any portion thereof, be assigned, charged, anticipated, commuted, given as security or otherwise dealt with prior to its being paid or credited to the member or other person entitled thereto. Any purported assignment, charge, anticipation, commutation, or other transaction relating to the gratuity or credit, made, entered into or completed contrary to the provisions of this Section, shall be wholly void and of no effect."

20. These Regulations shall come into operation on the first day of January, 1945, unless the contrary is necessary for making the Act effective from its commencement, in which case such Regulations as are so necessary shall come into operation as of and from the date of this Order.

## WARTIME PRICES AND TRADE BOARD

ADMINISTRATOR'S ORDER No. A-1486

### Wholesale Prices of Rail Shipped U. S. Bituminous Coal, Coke and Briquettes

Under powers given by the Wartime Prices and Trade Board to the Coal Administrator, it is hereby ordered on behalf of the Board as follows:

#### *Effective Date*

1. This Order comes into effect on January 1, 1945.

#### *Application of This Order*

2. This Order applies to sales by wholesale dealers to other wholesale dealers and to retail coal dealers, of all kinds and sizes of bituminous coal, coke and briquettes mined or produced in the United States and imported into Canada in railway cars only (hereinafter called the "said fuel").

#### *Purposes of This Order*

3. The main objective of this Order is to keep the delivered cost of the said fuel to retail coal dealers at a reasonable level. As one means of meeting that objective this Order limits the amount of markup that a wholesale dealer may include in his selling price of that fuel. For the same purpose, this Order also limits the total amount of markup of all wholesale dealers who are involved in transactions respecting the same shipment of that fuel.

#### *What the Term "Wholesale Dealer" Includes*

4. For the purposes of this Order the term "wholesale dealer" includes any importer, commission agent, broker, salesman and any other person engaged in Canada in the business of selling the said fuel to other wholesale dealers or to retail coal dealers.

#### *Maximum Markup Fixed*

5. On sales of any kind and size of the said fuel by a wholesale dealer to any other wholesale dealer or to a retail coal dealer the largest amount of markup (hereinafter called "maximum markup") that he may take for himself and include in his selling price per net ton of the fuel shall not be more than the amount equal to the markup he actually included in his selling price per net ton of the same or similar kind and size of bituminous coal, coke or briquettes imported from the United States in railway cars and sold by him to the same buyer or class of buyer during the basic period, September 15 to October 11, 1941, both inclusive, and in any event the amount of markup which may be so included must not be more than forty-five cents (45 cents) per net ton, Canadian funds.

#### *Maximum Price at Wholesale of the Said Fuel*

6. (1) The maximum price per net ton at which a wholesale dealer may sell or offer to sell to another wholesale dealer or to a retail coal dealer any kind and size of the said fuel is fixed at the sum of the amounts of the following:

- (a) the gross price (before deduction of any cash discount) per net ton of the said fuel paid to the supplier in the United States, f.o.b. point of shipment in the United States, but not in any event exceeding the maximum price fixed by the Office of Price Administration of the United States on sales of that kind and size of fuel by that supplier, f.o.b. point of shipment; and
- (b) the amounts (if any) actually paid by him and by any other wholesale dealer who has dealt with that fuel, for transportation charges, bank and foreign exchange, customs duty, customs brokerage charges, war and excise charges and any other charges that may be imposed by or concurred in by any governmental authority (hereinafter called "cost of transportation and importation"); and
- (c) (i) if he bought the said fuel direct from a supplier in the United States, a markup not exceeding his maximum markup, for such sale; or

- (ii) if he bought the said fuel from another wholesale dealer, the total amount of markups of all wholesale dealers who dealt with that shipment of fuel and in any event the total amount of such markups must not be more than forty-five cents (45 cents) per net ton, Canadian funds.

(2) In every case where payment of an amount by way of import subsidy on the said fuel is authorized by or on behalf of the Government of Canada, the maximum price per net ton of that fuel shall be the price fixed by subsection (1) of this Section less the amount per net ton of such import subsidy.

#### *Aggregate Markups of Wholesale Dealers*

7. (1) When sales of the said fuel are made by and between wholesale dealers the total amount of markups of all the wholesale dealers shall not exceed forty-five cents (45 cents) per net ton, Canadian funds.

(2) Within ten days from the date a wholesale dealer delivers the said fuel to another wholesale dealer he shall furnish him with an invoice for that fuel showing

- (a) his name and address and that of the purchaser;
- (b) the kind, size and quantity in net tons of the fuel;
- (c) the gross price per ton paid for the fuel to the supplier in the United States;
- (d) the amounts in detail of the costs of transportation and importation actually paid on the fuel;
- (e) the amount of markup taken by him on the transaction; and
- (f) the total amount of markups, including his own, taken on the fuel by all wholesale dealers who prior to the said delivery have dealt with the same shipment.

(3) Notwithstanding that this Order contemplates transactions in the said fuel between wholesale dealers, a wholesale dealer shall not enter into any such transaction unless he, in good faith, acquires that fuel for sale and distribution in the ordinary course of his business. A transaction must not be entered into by any wholesale dealer if the only purpose of the transaction is to enable him to acquire a markup on the said fuel.

#### *Record of Transactions*

8. Every wholesale dealer must keep a complete and accurate record in writing of each of his transactions by way of purchase and sale in coal, coke and briquettes to which this Order applies showing the particulars in detail of each transaction so that the same may readily be audited, and such record shall be kept available at the wholesale dealer's place of business in Canada for inspection and audit by any authorized representative of the Board at any time within one year after the date of each transaction.

Dated at Ottawa, this 15th. day of December, 1944.

### Order in Council amending P.C. 9239, December 2, 1943, "The Dependents' Board of Trustees Order".

P.C. 9027

#### AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 19th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of National Defence represents that the Chairman of the Dependents' Board of Trustees reports as follows,—

- (a) By Order in Council dated 2 December 1943, P.C. 9239, there is established a Dependents' Supplementary Grants Fund and a Board of Trustees to administer the said Fund, known as the Dependents' Board of Trustees.
- (b) The purpose of the said Fund as administered by the Board is to provide supplementary grants or special assistance on an equitable basis for dependents of members of the armed forces in cases not provided for by the Marriage Allowance and Dependents' Allowance Regulations in circumstances where such dependents have special or emergency needs. Such grants or assistance can only be given, however, to dependents who qualify for an award of dependents' or marriage allowance.
- (c) Sub-section (ii) of Section (a) of paragraph 1 of the said Order in Council, provides that: "dependent" shall mean: "a member of the family, resident in Canada, of an airman below the rank of Warrant Officer, Class 1 serving, at the time the application for a supplementary grant or special assistance is made, with the Air Forces of the United Kingdom, the Commonwealth of Australia or the Dominion of New Zealand in Canada under the Combined Training Organization established under the Inter-Governmental agreement signed at Ottawa on 5th June 1942, provided, however, that the Board shall not have authority to make payments to dependents of personnel who have ceased to serve in Canada under the said Combined Training Organization." Said Order in Council contains no similar provision for a rating of the naval forces of the United Kingdom serving with the naval forces of Canada and it is considered that an appropriate amendment to the said Order in Council should be made in order that the dependents of such naval ratings may come within the operation of the said Order in Council.
- (d) The proviso to subsection (ii) of section (a) of paragraph 1, quoted above, has led to considerable inconvenience and hardship in instances where subsequent to the date of the application, the airman in question has ceased to serve in Canada. In such instances the Board has been prevented from making the payments by virtue of the provisions of the said proviso, notwithstanding the fact that in certain of these instances nothing further remained to be done than the mailing of the cheque covering the grant. It is considered therefore that since the material date is that on which the application is made, the above proviso should be deleted.

Therefore, in order to give effect to the foregoing, His Excellency the Governor General in Council, on the recommendation of the Minister of National Defence,

concurred in by the Minister of National Defence for Naval Services and the Minister of National Defence for Air and pursuant to the provisions of the War Measures Act, is pleased to amend the Dependents' Board of Trustees Order being Appendix "A" to Order in Council dated 2nd December, 1943, P.C. 9239 and it is hereby amended as follows:—

(a) By deleting from sub-section (ii) of section (a) of paragraph 1 thereof, the following: "provided, however, that the Board shall not have authority to make payments to dependents of personnel who have ceased to serve in Canada under the said Combined Training Organization."

By inserting a new sub-section (iii), section (a) of paragraph 1, as follows:—

"(iii) A member of the family, resident in Canada of a rating of the naval forces of the United Kingdom serving at the time the application for a supplementary grant or special assistance is made, with the naval forces of Canada on Active Service who qualifies for the award of a dependents' allowance under the Dependents' Allowance Regulations."

A. D. P. HEENEY,  
*Clerk of the Privy Council.*

## Order in Council rescinding Section 2 of P.C. 7191, 12th September, 1941—*re* Importation of Rubber.

P.C. 9343

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 21st day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas Section 2 of Order in Council P.C. 7191 of September 12, 1941, as amended, prohibits the importation of rubber and rubber products into Canada except under permit issued by the Minister of National Revenue;

And whereas the Acting Minister of Munitions and Supply reports that in order to simplify administration of this import control by the Department of National Revenue it is desirable to rescind the said section so that the said Order in Council will cover only domestic controls, leaving import controls to be dealt with by separate Order in Council to be enacted concurrently herewith;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Acting Minister of Munitions and Supply, is pleased to rescind Section 2 of Order in Council P.C. 7191 of September 12, 1941, as amended by Order in Council P.C. 4347 of May 22, 1942, and it is hereby rescinded, effective the 26th day of December, 1944.

A. D. P. HEENEY,  
*Clerk of the Privy Council.*

## The Emergency Shelter Regulations

P.C. 9439

AT THE GOVERNMENT HOUSE AT OTTAWA

TUESDAY, the 19th day of September, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports that due to congestion of population in certain areas of Canada, there has developed a serious shortage of housing accommodation which cannot be entirely relieved by new construction during wartime because of unavoidable scarcities of materials and labour;

That circumstances arising out of present and potential developments in the war situation are likely to aggravate the congestion; and

That in order to prevent further congestion and to deal more effectively with the shelter situation in congested areas it is in the national interest that the powers of the Wartime Prices and Trade Board be amplified and that measures be taken for the co-ordination under that Board of all activities relating to the transfer of population into such areas and to the control and use of available shelter therein;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under and by virtue of powers conferred by the War Measures Act and otherwise, is pleased to make the following Regulations and they are hereby made and established accordingly,—

## REGULATIONS

(2) His Majesty in right of Canada or of any province thereof shall be bound by the provisions of these regulations or of any order.

### *Powers of the Board*

4. (1) In addition to any other powers conferred on the Board by the Governor in Council and without derogating therefrom, the Board shall have power, from time to time

- (a) to cause surveys respecting shelter and the demand therefor to be made in such areas to such extent and in such manner as the Board may decide and by such persons as the Board may appoint;

- (d) to enter any premises to inspect and examine the same or to exercise any of its powers;

- (e) to prescribe the manner in and extent to which and the terms and conditions under which any shelter shall be used, and to prohibit use not in accordance with such prescription;

  - (i) subject to the provisions of Section 7 of the War Measures Act, to take possession of any shelter and use it in any manner;
  - (j) upon failure of any person to vacate or give possession of any shelter pursuant to any order, to apply to the Attorney-General of Canada to issue in any form a warrant for possession to the sheriff within whose jurisdiction such shelter is situated, directing such sheriff to evict from the shelter described in the warrant any person named in the warrant or to put any person named in the warrant in possession of the shelter described therein, which warrant the Attorney-General of Canada is authorized to issue if he is satisfied that with a view to securing compliance with an order, validly made under these regulations, it is necessary so to do, and such warrant shall be executed by such sheriff as if it were a warrant or writ of possession issued out of the superior court of the province in which such shelter is situated;
  - (k) to require any person to perform or refrain from performing such act in respect of any shelter as the Board may specify in order more effectively to exercise its powers and enforce any order;
  - (l) generally to take such action as the Board deems necessary or advisable to prevent further congestion or to alleviate congestion in any area.
- (2) The Board may from time to time appoint such Administrators of Emergency Shelter as it deems necessary and may delegate to such Administrators or other persons such of the powers and discretions of the Board on such terms as the Board deems proper.
- (3) The Board may appoint such temporary assistants, technical and otherwise, and such casual workers as it deems necessary for the effective exercise of the powers conferred by these regulations and at such remuneration as the Board may decide, provided that such remuneration shall be in conformity with rates prescribed for similar duties in the Civil Service; and the Board may authorize and pay such expenses as in its opinion are necessary for or incidental to the effective exercise of such powers.
- (4) All expenses lawfully incurred under these regulations shall be payable out of moneys provided by Parliament.

#### *Co-ordinated Action in Congested Areas*

5. (1) The provisions of this Section shall only apply in such areas as the Board or an Administrator of Emergency Shelter may designate from time to time by notice published in *Canadian War Orders and Regulations*.

(2) Every person in any area shall co-operate with the Administrator of Emergency Shelter for that area in the discharge of his duties in order that hardship respecting shelter in that area may be prevented or alleviated and, to that end, no person without the previous concurrence in writing of such Administrator shall

- (a) cease to make available as a place of dwelling any shelter heretofore or hereafter provided by such person as a place of dwelling and to the same extent; or
- (b) discontinue any heating, lighting, water or other service or facility reasonably necessary for the use of such shelter as a place of dwelling;
- (c) transfer any persons to an area designated under this Section where such transfer would appreciably aggravate the shelter situation in such area, or transfer any persons from such area to another area where such transfer would

appreciably aggravate the shelter situation in the latter area; but, for greater clarity, this provision shall not be construed so as to prevent the transfer of any members of His Majesty's Forces from one barracks or other non-civilian establishment to another or any transfer necessary for the safety of the state;

(d) refuse to let any shelter to any person on the ground of such person having a child or children or make absence of a child or children a condition of any lease for any shelter.

(3) The Board may, whenever it deems it feasible so to do, make such order and take such action as is necessary to cause any shelter to be made habitable or to cause any uncompleted shelter to be completed in such manner as the Board may direct and within such time as the Board deems reasonable.

#### *Offences and Penalties*

6. (1) Any person who contravenes or fails to observe any regulation or order or who in any manner hinders or obstructs any person exercising any power or performing any duty under these regulations shall be guilty of an offence and liable upon summary conviction under Part XV of the Criminal Code or, if the Attorney General of Canada or of any province so directs, upon indictment, to a penalty not exceeding five thousand dollars or to imprisonment for any term not exceeding two years or to both such fine and such imprisonment; and any director or officer of any company or corporation who assents to or acquiesces in any such offence by such company or corporation shall be guilty of such offence personally and cumulatively with the said company or corporation.

(2) In any proceedings upon summary conviction, any charge may include several offences against any regulation or order committed by the same person and any number of charges may be included in one and the same information; and all such charges may be tried concurrently and one conviction for any or all of such offences may be made, which conviction may but need not provide a separate penalty for each such offence.

7. **Order in Council providing that Government property acquired after August 17, 1944, be not insured under War Risk Insurance Act, 1942.**

P.C. 9470

AT THE GOVERNMENT HOUSE AT OTTAWA.

THURSDAY, the 21st day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas provision was made by Order in Council P.C. 2/8917 dated September 30, 1942, that all property of His Majesty in right of the Dominion of Canada be insured against war damage under the War Risk Insurance Act, 1942, provided that nothing therein contained was to be construed as requiring the insuring of munitions of war, weapons, equipment, stores or facilities of His Majesty's armed forces after they have come under the jurisdiction, control or custody of the said forces;

And whereas by Order in Council P.C. 6469 dated August 16, 1944, all policies under the War Risk Insurance Act 1942 in force on August 17, 1944, were extended for a period of twelve months from their date of expiry; new or additional insurance on property to continue to be sold at the rates of premiums then in force;

And whereas the Minister of Finance reports that the said extension of policies in force on August 17, 1944, applied to such Dominion Government property as was held by departments or agencies of the Dominion Government at the said date and covered by the policies then in force, but that any new or additional property acquired by Dominion Government departments or agencies since the said date and not covered by policies in force would require to be insured at the rates of premiums in force on August 17, 1944, if it was to be covered against war damage; and

That it is advisable in view of the position of private property holders under the War Risk Insurance Scheme to discontinue the scheme of insuring Dominion Government property to the extent of new or additional property acquired after August 17, 1944, but to continue the scheme of insuring Dominion Government property to the extent of property held by Dominion Government departments or agencies on the said date, by means of the extension of such policies for a period of twelve months from the date of their expiry;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under the War Risk Insurance Act 1942 and the War Measures Act, is pleased to order and doth hereby order that all property of His Majesty in right of the Dominion of Canada acquired after August 17, 1944, be not insured under the War Risk Insurance Act, 1942.

THURSDAY, the 21st day of December, 1944.

PRESENT:

HIS EXCELLENCY

That imports of dried whey, dried skim milk and dried buttermilk of non-British Empire origin are also subject to a war exchange tax of 10 p.c. ad valorem;

That Order in Council P.C. 3011 of April 14, 1942, exempted dried whey, dried skim milk and dried buttermilk, when imported as animal or poultry feeds, or when imported for use in the manufacture of animal or poultry feeds, from customs duty and war exchange tax during the period April 1, 1942, to July 31, 1942;

That a further Order in Council, P.C. 6010, was passed on August 1, 1944, exempting dried whey, dried skim milk and dried buttermilk, when imported for use as animal or poultry feeds, or when imported for use in the manufacture of animal or poultry feeds from customs duty and war exchange tax during the period August 1, 1944, to December 31, 1944;

### Order in Council providing tariff treatment, exemption from war exchange and special excise taxes, etc. for yeast, dead or inactive

P.C. 9483

AT THE GOVERNMENT HOUSE AT OTTAWA

THURSDAY, the 21st day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance reports that about three years ago the Department of National Revenue ruled yeast, dead or inactive, to be dutiable as "unenumerated goods" under Tariff Item 711 at the Canada-United States Trade Agreement rate of 20 p.c. ad valorem and that prior to that time this yeast was admitted at the rate of 2½ cents or 5 cents per pound when imported from the United States or any other foreign country the products of which are entitled to Intermediate Tariff treatment:

That the average value of dead yeast is about 60 cents per pound; therefore an ad valorem rate of 20 p.c. is equivalent to a specific duty of 12 cents per pound;

That dead yeast is a very valuable source of Riboflavin (also known as Vitamin B<sub>2</sub>, Vitamin G, Lactoflavin) and is mainly used in the manufacture of feeds for livestock, poultry or fur-bearing animals, and to a certain extent in pharmaceutical products; and

That the national interest would be best served in the present emergency if imports of yeast, dead or inactive were exempt from customs duty and tax;

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to order and doth hereby order:—

1. That yeast, dead or inactive, containing only those vitamins inherent in or developed by the yeast during its culture or propagation in which the Vitamin D does not exceed 1000 International units per gram, when valued at more than twenty-five cents per pound be accorded the tariff treatment hereunder indicated, effective January 1, 1945:

Yeast, dead or inactive, containing only those vitamins inherent in or developed by the yeast during its culture or propagation in which the Vitamin D does not exceed 1000 International units per gram, when valued at more than twenty-five cents per pound, under regulations which the Minister may prescribe

British Preferential Tariff	Intermediate Tariff	General Tariff
Free	Free	Free

(To be designated as Tariff Item 219g.)

2. That imports of yeast, dead or inactive, as described above, be exempt from the war exchange tax of 10 p.c. ad valorem and the special excise tax of 3 p.c., effective January 1, 1945.

PRESENT:

HIS EXCELLENCY,

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Munitions and Supply reports,—

That by Order in Council P.C. 5560 of July 13, 1943, as supplemented by Order in Council P.C. 2092 of March 23, 1944, and for the purpose, *inter alia*, of facilitating the operations of the Canadian Mutual Aid Board, authority was granted for the taking over and assumption by the Canadian Government of contracts with respect to the operation of munitions plants or the production of munitions and supplies in Canada which were entered into or placed by or through the Department of Munitions and Supply in the name or on behalf of the Government of the United Kingdom;

That by Order in Council P.C. 8019 of October 14, 1943, authority was also granted for the taking over and assumption by the Canadian Government of such

of the outstanding contracts placed in the name or on behalf of the Government of Australia, through the Department of Munitions and Supply, for the production or sale of munitions of war and supplies in Canada as the Minister of Munitions and Supply should designate or approve, together with outstanding contracts for the purchase of timber by the Government of Australia from Canadian suppliers;

That the Canadian Mutual Aid Board has approved the taking over and assumption by the Canadian Government as of July 1, 1944, of substantially all contracts for the production or sale of munitions of war or supplies entered into in the name or on behalf of the Government of New Zealand, through the Department of Munitions and Supply, which were outstanding on July 1, 1944, or which have been entered into subsequent to that date; and

That it is estimated that the payments which will be required to be made by the Canadian Government under or in respect of the contracts proposed to be taken over as aforesaid (including any amounts to be paid to the Government of New Zealand by way of reimbursement of payments made by the said Government under any of the said contracts subsequent to July 1, 1944) will not exceed in the aggregate the sum of \$1,500,000.00;

Now, therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Munitions and Supply, concurred in by the Minister of Finance, and under and by virtue of the powers conferred by the War Measures Act, The Department of Munitions and Supply Act and The War Appropriation (United Nations Mutual Aid) Act, 1944, is pleased to order and it is hereby ordered as follows:

1. Authority is hereby granted for the taking over and assumption by the Canadian Government, as of July 1, 1944, of such of the contracts for the production or sale of munitions of war and supplies entered into in the name or on behalf of the Government of New Zealand, through the Department of Munitions and Supply, which were outstanding on the last mentioned date or which have been entered into subsequent to July 1, 1944, as the Minister of Munitions and Supply may designate or approve, and for the entering into of an agreement with the Government of New Zealand, in form and terms satisfactory to the Minister of Munitions and Supply, providing for the taking over and assumption of the said contracts.
2. The Minister of Munitions and Supply is hereby authorized to make all payments required to be made under the said contracts on and after July 1, 1944, and to reimburse the Government of New Zealand for any and all payments which may have been made by the said Government under any of the said contracts subsequent to that date.
3. The Canadian Mutual Aid Board shall pay or reimburse to the Department of Munitions and Supply all amounts paid by the Department in respect of munitions of war and supplies delivered and to be delivered under the said contracts on and after July 1, 1944, and pending such payment or reimbursement by the Board, all expenditures under any of the said contracts (including any amounts reimbursed to the Government of New Zealand as hereinbefore provided) may be charged to and paid out of the General (Munitions) Revolving Fund created by Order in Council P.C. 36/84 of January 6, 1943.
4. In the event of the cancellation or partial cancellation of any of the said contracts, the amounts paid or payable by the Department of Munitions and Supply upon or in respect of such cancellation or partial cancellation shall be reimbursed to the Department by the Canadian Mutual Aid Board.
5. Expenditures by the Canadian Mutual Aid Board pursuant to the provisions of paragraphs 3 and 4 hereof may be charged to and paid out of the moneys authorized to be expended for the purposes set forth in The War Appropriation (United Nations Mutual Aid) Acts, 1943 and 1944, and/or out of other funds available from time to time to the Canadian Mutual Aid Board for such purpose, including funds to be provided from time to time by the War Appropriation Acts or other funds appropriated by Parliament.

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Finance and the Minister of National Revenue report that The Wartime Salaries Order, which has been in effect for approximately three years, has proved to be more severe in its restrictions upon salaries than the corresponding Orders establishing control over wages, because of the much greater difficulties in defining and classifying established positions and salary rates and ranges and because of the many special circumstances affecting individual cases;

That in the light of experience gained in the administration of the said Order, it is now possible to provide for a control that will be more similar in principle to the control over wage rates, and which in particular will enable the Minister to permit adjustments of individual salaries within the ranges of rates previously

established for the positions occupied, and to provide for the correction of gross inequities in certain cases where there have been substantial changes in the nature and extent of the duties and responsibilities of salaried officials;

That it is also desirable to make provision for the necessary minimum of adjustment of salaries of officials supervising wage earners, including foremen, who have received a general increase in wage rates;

That it is also desirable to amend the definition of salaried official to exclude all persons earning less than \$250 a month, rather than \$195 per month, as in the present Order, thereby clarifying the position of many persons earning between \$195 and \$250 per month and causing them to be subject to the Wartime Wages Control Order rather than to the Wartime Salaries Order; and

That it is also desirable to make certain other minor and consequential amendments to the said Order;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance and the Minister of National Revenue, and under and by virtue of the powers conferred by the War Measures Act, is pleased to amend the Wartime Salaries Order (P.C. 1549, 27th February, 1942) and it is hereby further amended as follows, effective the first day of December, 1944:

1. Sub-paragraph (b) of paragraph 1 is rescinded and the following substituted therefor:

"(b) 'Salaried official' shall mean every employee of an employer who is above the rank of foreman or comparable rank, and for the purpose both of this Order and of the Wartime Wages Control Order, 1943, any employee receiving salary or wages at a rate of less than \$250 per month shall, irrespective of his status or functions, be deemed to be not above the rank of foreman or comparable rank; and anyone receiving salary or wages at a rate of \$250 or more per month shall be deemed to be above the said rank of foreman or comparable rank unless the nature of his duties and responsibilities, or his relationship to other employees, indicates clearly that he is not above the said rank. In cases of doubt or dispute with regard to the rank of any employee or class of employees, the National War Labour Board or a Regional War Labour Board shall declare whether that employee or that class of employees is above the rank of foreman or comparable rank for the purpose of this Order and the Wartime Wages Control Order, 1943."

2. A new sub-paragraph (f) is added to paragraph 1, as follows:

"(f) 'Minister' shall mean the Minister of National Revenue."

3. The words "A cost of living bonus" and all subsequent words in sub-paragraph (a) of paragraph 2, are deleted.

4. The following paragraph is added to sub-paragraph (b) of paragraph 2:

"When on or after December 1, 1944, any newly-engaged salaried official is appointed either to an established rank or position or to a newly-created rank or position, the rate of salary paid or proposed to be paid to such salaried official shall, within three months of the time of first payment thereof, be reported to the Inspector of Income Tax for the District wherein the employer ordinarily files his income tax returns, and the Minister may subsequently direct that such rate of salary be altered if in his opinion the rate so paid or proposed to be paid is inconsistent with the provisions of this paragraph."

5. The words "Nothing in this Order shall be deemed..." and all subsequent words in the last sub-paragraph of paragraph 2 are deleted.

6. Paragraph 3 is rescinded and the following substituted therefor:

"3. Notwithstanding paragraph 2 hereof, the Minister may: (a) authorize an employer to increase the rate of salary paid to a salaried official up to a higher rate specified by the Minister, if the employer establishes to the satisfaction of the Minister that the increase is commensurate with and is occasioned by a *bona fide* and reasonable promotion (on or after January 1, 1941) of the salaried official, and that the salaried official has been given added responsibilities and increased duties, provided that the new salary rate permitted by the Minister shall not be higher than the salary rate paid by the employer to the previous incumbent of the position to which the salaried official is promoted, or if there was no previous

incumbent, the new salary rate shall not be higher than the level of salaries paid to salaried officials for the same or substantially similar services in like businesses, and provided further that if the total salary, including such increase, is

- (i) less than \$7,500 per year, such increase is reported on the prescribed form to the Minister within three months of the time of first payment of the increase, and is approved by the Minister on or before the assessment of the income tax return of the employer for the year in which the increase was made, or
- (ii) \$7,500 or over, such increase has been reported on the prescribed form and approved by the Minister before payment of the increase.

(b) authorize an employer to pay to a salaried official who has been promoted or newly appointed after November 6, 1941, a temporary rate of salary and subsequently a higher rate of salary, provided that the maximum rate so authorized shall not exceed the rate defined in sub-paragraph (a) of this paragraph in a case of promotion, or the rate defined in sub-paragraph (b) of paragraph 2 in a case of a new appointment.

(c) authorize an employer to increase the rate of salary paid to a salaried official who was appointed or promoted on or after September 1, 1939, and prior to November 7, 1941, to his present position and who was as of such latter date receiving a probationary rate of salary which had not been increased beyond the first rate established on or after the appointment or promotion, provided that the new salary rate authorized by the Minister shall not exceed the rate defined in sub-paragraph (a) of this paragraph in a case of promotion, or the rate defined in sub-paragraph (b) of paragraph 2 in a case of a new appointment.

(d) authorize an employer to increase by a specified amount the rate of salary paid to a salaried official supervising or otherwise in control of other employees who have received a general increase in wage rates, if and to the extent that the Minister finds that the relationship between such increased wages and the salary paid to the salaried official constitutes a gross inequity and causes inefficiency.

(e) authorize an employer to increase the rate of salary paid to a salaried official up to a rate not exceeding the maximum rate last established by the employer prior to November 7, 1941, for the position occupied by the said salaried official or for that class of positions. In exercising this authority the Minister shall limit increases in salary to the minimum which he considers essential in order to secure a fair and reasonable relationship between the salaries paid by the employer to his several salaried officials. In determining the maximum rate of salary last established prior to November 7, 1941, the Minister may have regard to the rates previously paid either to former incumbents of the same position, or to a salaried official performing substantially the same or similar services, as well as to any other evidence of established rates or range of rates for that position or class of position.

(f) in exceptional circumstances where he considers such action necessary to remedy a gross inequity, authorize an employer to increase by a specified amount, or up to a specified rate, the rate of salary paid to a salaried official, whose duties and responsibilities have so substantially increased or altered as to justify, in the opinion of the Minister, a change in salary. In determining whether and to what extent action under this sub-paragraph is necessary the Minister shall take into account the amount of the salary before adjustment and shall recognize as a principle that the greater the salary an official receives, the more he should be able to assume increased duties and responsibilities without additional compensation.

Application for permission to pay an increased rate of salary to a salaried official pursuant to sub-paragraphs (c), (d), (e) or (f) of this paragraph shall be submitted by the employer to the Minister on the prescribed form setting forth all the facts which, in the opinion of the employer, warrant the proposed salary adjustment. No payment of an increase in salary pursuant to the provisions of such sub-paragraphs or on account thereof, shall be made to a salaried official until notification has been received by the employer from the Minister stating that an increase in

salary has been approved and the amount thereof. The decision of the Minister as to whether an increase in salary is to be permitted under the terms of such sub-paragraphs, and as to the amount thereof shall be final and conclusive.

Increased rates of salary to be paid to salaried officials pursuant to sub-paragraphs (c), (d) (e) or (f) of this paragraph shall be effective only as from August 1, 1944, or from such subsequent date as the Minister may determine.

If any increase in salary has been approved and a new salary level established in accordance with this paragraph, the provisions of this Order shall apply to such salary level from the effective date of that increase as if it had been established at November 6, 1941.

7. Paragraph 4 is rescinded and the following substituted therefor:

"Nothing in this Order shall prohibit an employer from paying as salary to a salaried official the amount of cost of living bonus actually paid to such official in respect of the last payroll period commencing prior to February 15, 1944."

8. The following words are added to paragraph 8 following the word 'Acts' at the end thereof:

"and to disallow any portion of any salary bonus, gratuity or share of profits as being an unreasonable and abnormal expense of the employer and not wholly, exclusively and necessarily laid out or expended for the purpose of earning his income."

9. In paragraph 9 the word 'or' between the figure 3 and the figure 4 is deleted and a comma substituted therefor and the words 'or 5' inserted after the figure 4.

10. In paragraph 10 the words 'and Cost of living Bonus Order, P.C. 8253, dated October 24, 1941,' are deleted and the words 'Control Order, 1943,' substituted therefor.

11. The words 'of National Revenue', following the words 'the Minister' in paragraphs 1 (c), 5, 7, 8 and 10 are deleted.

WEDNESDAY, the 27th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas the Minister of Munitions and Supply, with the concurrence of the Minister of Finance, represents,—

That Order in Council P.C. 3465 of April 29, 1943, as amended, authorizes the payment to wood fuel dealers, under the circumstances set out in the Order in Council, of a subsidy of \$1.00 per cord on commercial wood fuel, plus, in cases where, in the judgment of the Timber Controller it is necessary, an additional subsidy, and costs incurred by dealers in the transportation of wood fuel;

That it is now considered advisable to cease paying the dollar subsidy on all commercial wood fuel cut and to pay a subsidy only where it is necessary to get the needed quantity of wood fuel produced and transported and in the amounts required to enable wood fuel dealers to purchase wood at established maximum producer prices, transport it to market and sell it under existing consumer ceilings; and

That it is therefore desirable to revoke the said Order in Council P.C. 3465 and all the Orders in Council amending it, and to authorize the payment of a subsidy to wood fuel dealers as hereinafter set out;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Munitions and Supply, concurred in by the Minister of Finance, and under and by virtue of the powers conferred by the War Measures Act and otherwise, is pleased to order and doth hereby order as follows:

2. The Wartime Prices and Trade Board is hereby authorized to direct Commodity Prices Stabilization Corporation Ltd. to pay to wood fuel dealers on the certification of the Timber Controller a subsidy or bonus with respect to such transactions and in such localities where, in the judgment of the Timber Controller, a subsidy or bonus is necessary, having regard to the costs of production and transportation, to get the necessary quantity of wood fuel produced and transported.

## Order in Council cancelling certain tariff treatment of Zinc

P.C. 9541

AT THE GOVERNMENT HOUSE AT OTTAWA

WEDNESDAY, the 27th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by Order in Council, P.C. 5647 dated June 30, 1942, imports of "zinc spelter and zinc in blocks, pigs, bars or rods" were exempted from the customs duty of 3/4 of a cent per pound under the British Preferential Tariff and one cent per pound under the Intermediate and General Tariffs, and from the 10 p.c. war exchange tax and 3 p.c. special excise tax;

And whereas at the time this Order was passed it was represented:

(a) That the zinc made in Canada was high-grade electrolytic zinc, of which there was a shortage in the United States and other allied countries;

- (b) That Canadian industry was obliged to debase high-grade electrolytic zinc, as the price of imported prime western zinc was about 80 p.c. higher;
- (c) That arrangements had been entered into for the exchange on a duty and tax free basis of Canadian high-grade electrolytic zinc for United States prime western zinc.

And whereas the Minister of Finance reports that the Chairman of the Wartime Industries Control Board has reported that zinc is now in comparatively free supply in both Canada and the United States and that the arrangement for the exchange of Canadian electrolytic zinc for United States prime western zinc is no longer necessary for supply reasons, and now recommends that Order in Council P.C. 5647 of June 30, 1942 be revoked;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under the authority of the War Measures Act, Chapter 206, Revised Statutes of Canada, 1927, is pleased to revoke Order in Council P.C. 5647, of June 30, 1942, and it is hereby revoked, effective January 1, 1945.

*Clerk of the Privy Council.*

### Order in Council establishing Revised procedure for hearing of pension applications arising out of the present war

P.C. 9553

AT THE GOVERNMENT HOUSE AT OTTAWA

WEDNESDAY, the 27th day of December, 1944.

PRESENT:

HIS EXCELLENCY

THE GOVERNOR GENERAL IN COUNCIL:

Whereas by the Pension Act, Chapter 157 of the Revised Statutes of Canada, 1927, as amended, regulations were enacted to provide pensions to or in respect of members of the Canadian Naval, Military and Air Forces;

And whereas the procedure governing applications for entitlement to pension under section eleven of the Pension Act, as presently in force, was enacted in 1936 to bring some degree of finality to pension claims arising out of the Great War, the majority of which claims were initiated many years subsequent to the applicant's discharge from the forces;

And whereas the Minister of Veterans Affairs reports that the present procedure, while satisfactory for the purposes for which it was intended, is cumbersome in meeting the entirely new demands placed upon it as a result of the war with the German Reich, and compels the applicant, by time limits, to proceed to finality before latent disabilities may have become manifest;

That it is apparent that Commission decisions on pension entitlement in respect to service in the war with the German Reich will be rendered very largely on information contained in the applicant's service documents; and

That it is expedient that the Commission decision on pension entitlement should be rendered with a minimum of delay, subsequent to the applicant's discharge from the forces;

Therefore, His Excellency the Governor General in Council, on the recommendation of the Minister of Veterans Affairs, and under and by virtue of the War Measures Act,

Chapter 206, Revised Statutes of Canada, 1927, is pleased, notwithstanding anything to the contrary contained in the Pension Act or in any other act or regulation, to make the following regulations and they are hereby made and established accordingly:

#### REGULATIONS

1. In respect to all applications for entitlement to pension arising out of the present war with the German Reich, Section 52 of the Pension Act shall be suspended for the duration of the war and for one year afterwards and these regulations substituted therefor.

2. The Commission shall expeditiously consider each application and shall collect such relevant information, if any, as may be available in the records of any department of the Government of Canada and make, through its medical and other officers, such enquiry as appears advisable into the facts upon which the application is based; if satisfied, on the material available, that the applicant is entitled to a pension, the Commission shall then award such pension, and shall take the necessary steps to cause payment of such pension to be made.

3. Whenever such application is not wholly granted, the Commission shall promptly notify the applicant, in writing, of its decision, stating the grounds therefor, and shall inform such applicant that he may renew his claim, before the Commission on the submission of additional evidence, or before an Appeal Board of the Commission in person or by or with a representative, with or without additional evidence.

4. When the applicant renews his claim before the Commission, as provided for in section 3 hereof, and the Commission is satisfied, on the material available, that the applicant is entitled to pension, it shall then award such pension and shall take the necessary steps to cause payment of such pension to be made, but if this renewed application is not wholly granted, the Commission shall notify the applicant, in writing, of its decision, stating as before, the grounds therefor, and shall inform him that he may, if he so desires, appear before an Appeal Board of the Commission.

5. The Commission may, in its discretion, entertain a further application in respect of any injury or disease resulting in disability, prior to an application for a hearing by an Appeal Board of the Commission, but after a hearing by an Appeal Board, the Commission may entertain no further application in respect of any injury or disease whatsoever, subject, however, to the provisions of sub-section 4 of section 57 of the Pension Act respecting leave to reopen an application in certain instances.

6. After a decision has been rendered by the Commission upon the applicant's written request, the Commission will arrange for a hearing by an Appeal Board of the Commission subject to the following conditions:

- (a) That additional evidence may be submitted;
- (b) That prior to an Appeal Board hearing, the applicant has submitted to the Commission a statement, signed by himself, setting forth all disabilities which have been previously ruled on adversely by the Commission, and which he claims to be the result of injury or disease or aggravation thereof attributable to or incurred during military service, in regard to which he may desire to claim pension;
- (c) That no member of an Appeal Board of the Commission shall adjudicate upon any case coming before an Appeal Board pursuant to the provisions of these regulations, if such member has previously sat as a member of the Commission at any hearing of such case, as herein provided, unless the applicant's consent thereto has first been obtained.

7. Upon request of an applicant for an Appeal Board hearing the Commission shall notify the Veterans' Bureau accordingly, and the Veterans' Bureau shall thereupon prepare a summary of all available evidence relating to the claim and shall mail a copy of the same to the applicant, or to such representative as he may direct.

8. Where an applicant is suffering from a neuropsychiatric disease, it shall be a matter within the discretion of the Commission whether either the applicant or his representative shall be furnished with a summary of evidence.

9. Any applicant whose application has not been disposed of by an Appeal Board of the Commission prior to the coming into force of these regulations, may, if he so desires, either renew such application before the Commission or proceed to an Appeal Board hearing in accordance with the procedure herein set forth.

*Additional Payments and Considerations are Part of the Price*

3. Any consideration, money or money's worth given or paid by the buyer to any person in connection with the purchase of any oranges or received by the seller from any person in connection with the sale of any oranges shall constitute part of the price of such oranges.

*Definitions*

4. For the purposes of this Order
  - (a) "sell" includes an offer to sell;
  - (b) "size" means, in respect to any oranges, the number used to designate the number of those oranges which can be packed in a standard shipping container having a capacity by volume of approximately two (2) cubic feet and which number is customarily marked on the shipping container in which the oranges are packed;
  - (c) "tangerines" means tangerines, tangelos, satsumas, clementines and temple and king oranges; and
  - (d) "wholesale distributor" means a person who in any sale, sells oranges at wholesale and "sell at wholesale" means to sell otherwise than at retail or to a consumer. "Consumer" means a person who buys oranges for his personal or household consumption.

*Sales of Oranges Imported by the Wholesale Distributor Himself*

5. (1) The maximum price at which a wholesale distributor may sell any oranges imported by him from the United States of America, shall be the sum of the following, f.o.b. his place of business;

- (a) an amount equal to
  - (i) the lawful maximum price, f.o.b. shipping point, as fixed by the Maximum Price Regulations issued by the Office of Price Administration of that Country (hereinafter referred to as the "O.P.A. Regulations") at which a grower may sell those oranges in carload lots to a carlot receiver PLUS, if bought through a broker, brokerage charges as authorized by said O.P.A. Regulations and PLUS an amount equal to the cost of transporting the oranges in carload lots to the city, town or village in which he has his place of business

1. from Phoenix, Arizona, if the oranges are grown in the State of California or Arizona and his place of business is situated west of the 110th meridian of West longitude;

2. from Los Angeles, California, if the oranges are grown in the State of California or Arizona and his place of business is situated east of the 110th meridian of West longitude; or

3. from Homestead, Florida, if the oranges are grown in any part of the United States of America except the States of California and Arizona; or

Regulations, at which a carlot receiver may sell those oranges ex car at that point to a wholesaler) plus the cost of transporting the oranges to the city, town or village in which he has his place of business from such wholesale receiving point OR the amount fixed by paragraph (i) preceding, whichever amount is the greater;
- (b) the amount actually paid by him for protective services (icing, refrigeration and/or heating of the freight car in which oranges are shipped to him); provided that if the oranges have been sold to him by a grower or a country shipper on a delivered price basis, he may treat the protective service allowance, fixed for such delivered sales by the said O.P.A. Regulations, as the amount actually paid by him for protective services;
- (c) the bank and foreign exchange and the customs duty, excise tax and insurance charges that are to be borne by him and are not included in the amount fixed by clause (a) preceding;
- (d) the actual cost incurred by him for necessary extra wrapping of the oranges, but not to exceed 10c. per standard shipping container; and
- (e) a markup (percentage of cost) not exceeding the lawful markup (percentage of cost) customarily obtained by him during the basic period from September 15 to October 11, 1941, both inclusive, on sales of that pack and variety of oranges, but not in any event exceeding 15 per cent of his selling price.

(2) The maximum price at which a wholesale distributor may sell any oranges imported by him from any country other than the United States of America shall be, f.o.b. his place of business, an amount equal to the maximum price, as fixed by subsection (1) preceding, at which he may sell oranges of the same or substantially similar variety and pack grown in the State of California in the United States of America and purchased by him f.o.b. shipping point in the area of production in that State.

*Sales by Wholesalers of Broken Case Lots*

7. If oranges are packed in a case, crate or other package and, at the request of his buyer or to achieve equitable distribution of this available supply, a sale is made by a wholesale distributor of a quantity that is half of or less than half of such case, crate or other package lot, he may charge the buyer an additional amount not exceeding 4 per cent of his lawful selling price.

### *Delivery to be Free in Certain Cases*

8. If the sale of oranges by a wholesale distributor is to a buyer whose place of business is within the limits of the city, town or village in which the wholesale distributor has his place of business or is within the wholesale distributor's customary free delivery zone, delivery shall be free to that buyer.

### *Prepayment of Transportation Charges*

9. At the request of a buyer, a wholesale distributor may prepay the charge for transporting any shipment of oranges to the city, town or village in which the buyer has his place of business, but in that event he must show such charge as a separate item on his sales invoice to the buyer and must not include such charge in computing his markup.

  - (ii) a markup calculated according to the provisions of Board Order No. 450 and in Schedule "A" of that Order under the markup symbol "J" in the case of Florida oranges and under the markup symbol "H" in the case of any other oranges.

(2) The maximum price at which any person may sell at retail any oranges imported by him shall be the sum of the following:

- (a) the amount to which, under the provisions of Section 5 of this Order, he could add his markup if he were a wholesale distributor;
- (b) if he took delivery of the oranges at a point which is not situated within the limits of the city, town or village in which his retail outlet is situated, the actual cost of transporting the oranges from such receiving point to such city, town or village; and
- (c) the lesser of the two following markups:
  - (i) the markup which under the provisions of Board Order No. 450 corresponds to the lawful percentage markup customarily obtained by him during the said basic period on sales of such oranges imported by him;
  - (ii) the markup calculated according to the provisions of Board Order No. 450 and in schedule "A" of that Order under the markup symbol "J" in the case of Florida oranges and under the markup symbol "H" in the case of any other oranges or, if the oranges were imported by him by rail or water in carload lots, under the markup symbol "K" in the case of Florida oranges and under the markup symbol "J" in the case of any other oranges.

### *Sales at Retail by Weight and by Unit*

11. (1) For the purpose of determining the maximum price of any oranges which are priced at retail by unit or by weight, the number of oranges or the net weight thereof, as the case may be, in the original container in which they were packed when received by the retailer shall be deemed to be

- (a) as stamped or marked on the original container; or
- (b) if not so stamped or marked, as shown on his supplier's invoice; or
- (c) if neither so stamped or marked nor shown on his supplier's invoice, that which is actually in the original container when received by him.

(2) No person selling any oranges at retail by weight shall issue or sponsor a price list or advertisement which gives the price of the oranges unless it also states that the price is per pound or multiple thereof.

(3) Except when selling oranges by the original container in which he received them,
